2 revoked, or denied the independent contractor's exemption certificate;

3 (c) transfer to another person or allow another person to use an independent contractor exemption
4 certificate that was not issued to that person;

6 (e) misrepresent the person's status as an independent contractor. A person who falsely claimed,
7 either in writing or through credible evidence, to have an independent contractor certification may not be
8 considered to be an employee solely based on not actually having an independent contractor exemption
9 certificate. The burden of proof that an independent contractor is certified rests with the independent contractor
10 and not the hiring entity.

11 (2) An employer may not:

12 (a) require an employee through coercion, misrepresentation, or fraudulent means to adopt
13 independent contractor status to avoid the employer's obligations to provide workers' compensation coverage;
14 or

23 (iii) up to \$5,000 for the third offense VIOLATION;

16 employer to cease at worksites controlled by the prime contractor until the uninsured employer has elected to
17 be bound by a compensation plan. If after 3 business days following the order by the department the person,
18 business, or other entity functioning as a prime contractor has not complied with the order, the department may
19 order the prime contractor to cease all operations at the affected worksites.

20 (3) An employer who does not comply with the department's order to cease operations is guilty of
21 a misdemeanor. Each day of violation is a separate offense. The county attorney may prosecute a criminal
22 action under this subsection in the county in which the violation occurs. Prosecution under this subsection does

9 **Section 4.** Section 39-71-522, MCA, is amended to read:

10 ~~"39-71-522. — Inspection of construction sites — public policy — penalty.~~ (1) In recognition of the
11 benefit of fair competition among business competitors and the public policy of this state providing for
12 enforcement of workers' compensation insurance coverage requirements, the legislature finds that it is

15 exemption from insurance coverage.

16 (2) ~~— In order to determine if proper workers' compensation insurance coverage is in place or if a~~
17 ~~valid exemption is held by a worker present on a construction site, authorized employees of the department~~

24 ~~than an independent contractor unless the hiring entity demonstrates that all of the following conditions are~~
25 ~~satisfied:~~

26 (a) ~~— the worker is free from the control and direction of the hiring entity in connection with the~~
