8 **SECTION 53. SECTION 20-3-302, MCA, IS AMENDED TO READ:**

9 **"20-3-302. Legislative intent to elect less than majority of trustees.** (1) It is the intention of the
10 legislature that the terms of a majority of the trustee positions of any district with elected trustees may not
11 regularly expire and be subject to election on the same regular school election day. In elementary districts,
12 there may not be more than three trustee positions in first-class districts, two trustee positions in second-class
13 districts or third-class districts having five trustee positions, or one trustee position in third-class districts having
14 three trustee positions regularly subject to election at the same time. In high school districts there may not be
15 more than two additional trustee positions in first- or second-class districts or more than one in third-class
16 districts regularly subject to election at the same time. In county high school districts, there may not be more
17 than two trustee positions to be filled by members residing in the elementary district where the county high
18 school building is located or more than one trustee position to be filled by members residing outside of the
19 elementary district where the county high school building is located subject to election at the same time.

20 (2) In the following circumstances relating to newly created trustee positions, the initial terms may
21 be shortened or, as provided in subsection (2)(f), lengthened, to comply with the intent of subsection (1):

22 (a) the consolidation under the provisions of 20-6-423 of two or more elementary districts to form
23 an elementary district, of two or more high school districts to form a high school district, or of two or more K-12
24 districts to form a K-12 district;

25 (b) the establishment of additional trustee positions of a high school district under the provisions of
26 20-3-353 or 20-3-354 or new trustee positions under the provisions of 20-3-352(3);

27 (c) the change of a district's classification under the provisions of 20-6-201 or 20-6-301;

1 (d) the establishment of additional elementary trustee positions under the provisions of 20-3-
2 341(3); ~~or~~
3 (e) the establishment of additional high school trustee positions under the provisions of 20-6-313;
4 or
5 (f) the development and implementation of a transition plan from 3-year terms to 4-year terms
6 pursuant to [this act]. The trustees shall, no later than August 1, 2024, adjust the terms of each trustee serving
7 by motion of the board to comply with subsection (1). The adjustment may be accomplished at the discretion of
8 the board by a combination of shortening and lengthening terms of trustees to accomplish the intent of this
9 section. As part of the transition plan, terms may not be shortened to less than 1 year and terms may not be
10 lengthened by more than 3 years. If a majority of the trustees present and voting are unable to agree by
11 majority vote on a transition plan, the term of each trustee must be shortened and lengthened in alternating
12 order, sorted alphabetically by last name with the first trustee's term shortened and the second trustee's term
13 lengthened and continuing in this pattern until the resulting terms meet the intent of section (1).

14 (3) If the change of a district's classification under 20-6-201 or 20-6-301 decreases the number of
15 trustee positions, the positions must be eliminated in a manner that complies with the intent of subsection (1).

16 (4) Although the legislature intends that the terms of a majority of trustees of any district may not
17 regularly expire and be subject to election at the same time, it is recognized that filling a vacancy under 20-3-
18 308 may lead to a subsequent school election in which a majority of trustee positions are subject to election at
19 the same time."

20 (5) Whenever a K-12 district is dissolved, the following provisions apply:

21 (a) The trustees of the district whose territory is not annexed or consolidated upon dissolution of
22 the K-12 district are responsible for the execution of remaining financial obligations of the K-12 district and for
23 the apportionment between the elementary and high school programs of any obligations not identified in the
24 resolution required under subsection (3).

25 (b) The provisions of 20-6-410 apply for tenure teachers in the dissolution of a K-12 district.

26 (c) For purposes of applying the budget limitation provisions of 20-9-308, the budget of a K-12

7 **"20-9-311. Calculation of average number belonging (ANB) -- 3-year 5-year averaging. (1)**

8 Average number belonging (ANB) must be computed for each budget unit as follows:

9 (a) compute an average enrollment by adding a count of regularly enrolled pupils who were
10 enrolled as of the first Monday in October of the prior school fiscal year to a count of regularly enrolled pupils on
11 the first Monday in February of the prior school fiscal year or the next school day if those dates do not fall on a

1 enrollment.

2 (b) Except as provided in subsection (4)(d), enrollment in a program intended to provide fewer than
3 180 aggregate hours of pupil instruction per school year may not be included for purposes of ANB.

4 (c) Enrollment in a self-paced program or course may be converted to an hourly equivalent based
5 on the hours necessary and appropriate to provide the course within a regular classroom schedule.

6 (d) A school district may include in its calculation of ANB a pupil who is enrolled in a program
7 providing fewer than the required aggregate hours of pupil instruction required under subsection (4)(a) or (4)(b)
8 if the pupil has demonstrated proficiency in the content ordinarily covered by the instruction as determined by
9 the school board using district assessments. The ANB of a pupil under this subsection (4)(d) must be converted
10 to an hourly equivalent based on the hours of instruction ordinarily provided for the content over which the
11 student has demonstrated proficiency.

12 (e) A pupil in kindergarten through grade 12 who is concurrently enrolled in more than one public
13 school, program, or district may not be counted as more than one full-time pupil for ANB purposes.

15 superintendent shall count kindergarten enrollment in the previous year as full-time enrollment for the purpose
16 of calculating ANB for the elementary programs offering full-time kindergarten in the current year. For the
17 purposes of calculating the ~~3-year~~ 5-year ANB, the superintendent of public instruction shall count the
18 kindergarten enrollment as one-half enrollment and then add the additional kindergarten ANB to the ~~3-year~~ 5-
19 year average ANB for districts offering full-time kindergarten.

20 (6) When a pupil has been absent, with or without excuse, for more than 10 consecutive school
21 days, the pupil may not be included in the enrollment count used in the calculation of the ANB unless the pupil
22 resumes attendance prior to the day of the enrollment count.

23 (7) (a) The enrollment of preschool pupils, as provided in 20-7-117, may not be included in the
24 ANB calculations.

25 (b) Except as provided in subsection (7)(c), a pupil who has reached 19 years of age by

7 (c) (i) Unless the maximum amount calculated under subsection (1)(a) yields a greater amount, the
