1 HOUSE BILL NO. 961

2 INTRODUCED BY K. WALSH, C. POPE

3
4 A BILL FOR AN ACT ENTITLED: "AN ACT PROVIDING FOR THE MONTANA ENERGY AND
5 INFRASTRUCTURE FUND; CREATING THE MONTANA ENERGY AND INFRASTRUCTURE FUND
6 ADVISORY COMMISSION; PROVIDING AN APPROPRIATION; PROVIDING RULEMAKING AUTHORITY;
7 AND PROVIDING AN EFFECTIVE DATE AND A TERMINATION DATE."
8

9 WHEREAS, the Treasure State is proud of its economic legacy driven by the innovation, determination,
10 and hard work of its citizens; and

11 WHEREAS, the state government values and actively pursues its important role to act in the best
12 interests of its citizens in assisting the private sector and other stakeholders in identifying, planning, and
13 pursuing economic opportunities capable of improving the quality of life for Montana's citizens; and

14 WHEREAS, history demonstrates that economic success is enhanced by the known quality and
15 quantity of financial resources available to future development projects, and by the readily available financial
16 management tools to deliver those resources; and

17 WHEREAS, Montana anticipates an expanding list of significant future investment opportunities,
18 principal among them being in the economic sectors of energy and infrastructure development and renovation;
19 and

20 WHEREAS, a Montana energy and infrastructure fund would receive and distribute available public
21 funding to the benefit of energy and infrastructure projects developed in the public interest, provide for a liaison
22 with the private sector, including the state's banking community, in optimizing appropriate financing for
23 qualifying development projects, and focus and coordinate state resources, as needed, in the pursuit of those
24 projects.

25
26 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

HB0961.001.001

1 NEW SECTION. **Section 1. Montana energy and infrastructure fund.** (1) The department of
2 commerce shall establish the Montana energy and infrastructure fund and shall administer and act as the fiscal
3 agent for the program and is responsible for receiving and reviewing responsive proposals, reviewing potential
4 grant awards, and administering state funding projects.

5 (2) The fund shall consider the following:

6 (a) promoting investments in qualifying energy and infrastructure projects;

7 (b) receiving federal, philanthropic, and other sources of funding for projects meeting the fund's
8 mission, including federal Inflation Reduction Act funds available to states via the greenhouse gas reduction
9 fund;

10 (c) creating jobs and long-term economic development in the state construction and energy
11 sectors;

12 (d) increasing the number of qualified energy and infrastructure projects at the state and local
13 level;

14 (e) promoting efficient and low-cost development of state energy projects that reduce consumer
15 energy bills;

16 (f) promoting projects that benefit low- to medium-income communities, rural communities, and
17 historically underserved communities.

18 (g) providing investment opportunity in legacy energy communities faced with the energy
19 transition;

20 (h) creating economic development and grid resiliency and security and achieving net energy
21 export status in Montana; and

22 (i) facilitating, among other projects, investment in beneficial energy production, storage, and
23 conservation technologies, water and sewer infrastructure, agricultural infrastructure, carbon storage and
24 sequestration, and energy project remediation.

25 (3) The department of commerce shall adopt and publish annual work plans formulated through a
26 public hearing process and provide an annual report to the legislature in accordance with 5-11-210.

27 (4) The department of commerce shall develop programs that benefit single and multiple-
