- 1 (b) require that an accessory dwelling unit match the exterior design, roof pitch, or finishing
2 materials of the single-family dwelling;
- 3 (c) require that the single-family dwelling or the accessory dwelling unit be occupied by the owner;
- 4 (d) require a familial, marital, or employment relationship between the occupants of the single-

- 12 (i) impose more onerous zoning regulations on an accessory dwelling unit beyond those set forth
13 in this section; or
- 14 (j) require a restrictive covenant concerning an accessory dwelling unit on a parcel zoned for

17 not condition a permit, license, or use of an accessory dwelling unit on the adoption or implementation of a
18 restrictive covenant entered into between private parties.
- 19 (3) A municipality may require a fee for reviewing applications to create accessory dwelling units.
20 The one-time application fee for the license may be up to \$250 for each accessory dwelling unit. Nothing in this

- 22 (4) A municipality that has not adopted or amended regulations pursuant to this section by January
23 1, 2024, shall review and permit accessory dwelling units in accordance with the requirements of this section

25 accessory dwelling units and do not comply with this section are void.
- 26 (5) The provisions of this section do not supersede applicable building codes, fire codes, or public
27 health and safety regulations adopted pursuant to Title 50, chapter 2.
