BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 2-17-101, MCA, is amended to read:

"2-17-101. (Temporary) Allocation of space -- leasing -- definition. (1) The department of administration shall determine the space required by state agencies other than the legislature and the legislative space designated in [section 3] and 2-17-802 and the university system and shall allocate space in buildings owned or leased by the state, based on each agency's need. To efficiently and effectively allocate space, the department shall identify the amount, location, and nature of space used by each agency, including summary information on average cost per square foot for each municipality, and report this to the office of budget and program planning and to the legislative fiscal analyst by September 1 of each even-numbered year. The report must be provided in an electronic format. The department of administration shall provide a copy of the report to the legislature in accordance with 5-11-210.

(2) An agency requiring additional space shall notify the department. The department, in consultation with the agency, shall determine the amount and nature of the space needed and locate space within a building owned or leased by the state, including buildings in Helena and in other areas, to meet the agency's requirements. If space is not available in a building owned or leased by the state, the department shall locate space to be leased in an appropriate existing building or a build-to-lease building, including buildings in

Helena and in other areas, or recommend alternatives to leasing, such as remodeling or exchanging space with another agency. A state agency may not lease, rent, or purchase real property without prior approval of the department.

(3)—(a) The location of the chambers for the house of representatives must be determined in the sole discretion of the house of representatives. The location of the chambers for the senate must be determined in the sole discretion of the senate.

~~(b) Subject to 2-17-108, the department, with the advice of the legislative council, shall allocate other space for the use of the legislature, including but not limited to space for committee rooms and legislative offices.~~

(4) The department shall consolidate the offices of state agencies in a single, central location within a municipality whenever the consolidation would result in a cost savings to the state while permitting sufficient space and facilities for the agencies. The department may purchase, lease, or acquire, by exchange or otherwise, land and buildings in a municipality to achieve consolidation. Offices of the law enforcement services division and motor vehicle division of the department of justice are exempted from consolidation.

(5) Any lease for more than 45,000 square feet or for a term of more than 20 years must be submitted as part of the long-range building program and approved by the legislature before the department of administration may proceed with the lease. Multiple leases in the same building entered into within any 60-day period are to be aggregated for purposes of this threshold calculation. When immediate relocation of agency employees is required due to a public exigency, the requirements of this subsection do not apply, but the new lease must be reported as required by subsection (1).

(6) The department shall include language in every lease providing that if funds are not appropriated or otherwise made available to support continued performance of the lease in subsequent fiscal periods, the lease must be canceled.

(7) "Public exigency" means that due to unforeseen circumstances a facility occupied by state employees is uninhabitable due to immediate conditions that adversely impact the health or safety of the occupants of the facility. (Terminates June 30, 2023--sec. 3, Ch. 401, L. 2019.)

2-17-101. (Effective July 1, 2023) Allocation of space -- leasing -- definition. (1) The department of administration shall determine the space required by state agencies other than the legislature and the

1 legislative space designated in [section 3] and 2-17-802 and the university system and shall allocate space in
2 buildings owned or leased by the state, based on each agency's need. To efficiently and effectively allocate
3 space, the department shall identify the amount, location, and nature of space used by each agency, including
4 summary information on average cost per square foot for each municipality, and report this to the office of
5 budget and program planning and to the legislative fiscal analyst by September 1 of each even-numbered year.
6 The report must be provided in an electronic format. The department of administration shall provide a copy of
7 the report to the legislature in accordance with 5-11-210.

8 (2) An agency requiring additional space shall notify the department. The department, in
9 consultation with the agency, shall determine the amount and nature of the space needed and locate space
10 within a building owned or leased by the state, including buildings in Helena and in other areas, to meet the
11 agency's requirements. If space is not available in a building owned or leased by the state, the department shall
12 locate space to be leased in an appropriate existing building or a build-to-lease building, including buildings in
13 Helena and in other areas, or recommend alternatives to leasing, such as remodeling or exchanging space with
14 another agency. A state agency may not lease, rent, or purchase real property without prior approval of the
15 department.

16 (3)—(a) The location of the chambers for the house of representatives must be determined in the sole
17 discretion of the house of representatives. The location of the chambers for the senate must be determined in
18 the sole discretion of the senate.

19 ~~(b) Subject to 2-17-108, the department, with the advice of the legislative council, shall allocate other~~
20 ~~space for the use of the legislature, including but not limited to space for committee rooms and legislative~~
21 ~~offices.~~

22 (4) The department shall consolidate the offices of state agencies in a single, central location
23 within a municipality whenever the consolidation would result in a cost savings to the state while permitting
24 sufficient space and facilities for the agencies. The department may purchase, lease, or acquire, by exchange
25 or otherwise, land and buildings in a municipality to achieve consolidation. Offices of the law enforcement
26 services division and motor vehicle division of the department of justice are exempted from consolidation.

27 (5) Any lease for more than 40,000 square feet or for a term of more than 20 years must be
28 submitted as part of the long-range building program and approved by the legislature before the department of

administration may proceed with the lease. Multiple leases in the same building entered into within any 60-day period are to be aggregated for purposes of this threshold calculation. When immediate relocation of agency employees is required due to a public exigency, the requirements of this subsection do not apply, but the new lease must be reported as required by subsection (1).

(6) The department shall include language in every lease providing that if funds are not appropriated or otherwise made available to support continued performance of the lease in subsequent fiscal periods, the lease must be cancelled.

(7) "Public exigency" means that due to unforeseen circumstances a facility occupied by state employees is uninhabitable due to immediate conditions that adversely impact the health or safety of the occupants of the facility."

Section 2. Section 2-17-108, MCA, is amended to read:

"2-17-108. Allocation of legislative rooms and offices space. ~~Notwithstanding the provisions of 2-17-101, after each session of the legislature, the department of administration shall conduct an inventory of the rooms and offices in the capitol controlled by the house of representatives and the senate.~~

(1) Legislative space in the capitol and on the capitol complex may not be reduced without the consent of the legislature. The control of the rooms, committee hearing rooms, and offices for legislators and session and exempt legislative staff may not be changed without the permission of the speaker of the house of representatives, the minority leader of the house, the president of the senate, and the minority leader of the senate.

(2) During the interim between legislative sessions from the day after sine die of a session through December 1 in an even year, the legislative services division, under the direction of legislative council in consultation with the legislative audit committee and the legislative finance committee, shall schedule and reserve legislative committee hearing rooms."

NEW SECTION. Section 3. Reservation of space for legislature -- legislative council duties. (1)

The legislative space on the capitol complex includes:

(a) in the state capitol:

- 1 (i) the entire fourth floor;
- 2 (ii) the entire third floor, including the senate and house chambers;

(C) The long-range legislative branch capitol development plan supersedes any conflicting provisions of the capitol area master plan.

(b) (i) Prior to September 1, 2024, the legislative council, with consultation of the legislative audit committee and the legislative finance committee, shall finalize the long-range legislative branch capitol development plan.

(ii) The legislative council, with consultation of the legislative audit committee and the legislative finance committee, shall preintroduce a joint resolution recommending the legislature's consent to the long-range legislative branch capitol development plan."

Section 7. Section 2-17-806, MCA, is amended to read:

"2-17-806. Department of administration to establish policies on capitol. The department of administration, with the advice of the council and the legislative council, shall establish policies governing maintenance and beautification of the capitol, executive residence, and original governor's mansion. The policies must provide that all historic furnishings original to the capitol remain in the building if an agency relocates and may designate appropriate wall, floor, and window coverings for the capitol. The Montana Administrative Procedure Act does not apply to this part."

Section 8. Section 2-17-811, MCA, is amended to read:

"2-17-811. Custodial care of capitol buildings and grounds. (1) The department of administration is custodian of all-state property and grounds ~~in the state capitol area, which is the geographic area within a 10-mile radius of the state capitol~~ the capitol complex.

(2) (a) The department shall supervise and direct the work of caring for and maintaining buildings and equipment in the ~~state capitol area~~ capitol complex.

(b) The department shall provide or approve all-custodial, maintenance, and security work done on state-owned or leased buildings in the ~~state capitol area~~ capitol complex. The department may not charge the legislature, governor, or secretary of state for the custodial and security services for public space within the capitol as defined in 2-17-802.

(c) The legislative council may contract with the department or a private entity, or both, for the

custodial and security services for legislative space that is not designated public space in 2-17-802. If the legislative council contracts with the department, the legislature may not be charged more than the rate approved by the legislature for custodial and security services for capitol complex facilities. The legislature shall provide a 90-day advance notice to the department prior to contracting with a private entity for custodial or security services, or both.

(3) A state agency other than the legislature and the legislative space designated in [section 3] may not alter, improve, repair, or remodel a state building in the state capitol area without the approval of the department.

(4) The department shall maintain or approve the maintenance of the grounds in the state capitol area."

NEW SECTION. Section 9. Capitol complex executive branch long-range capital projects
