(3) (a) Pursuant to 17-7-210, if construction of a new facility requires an immediate or future increase in state funding for program expansion or operations and maintenance, the legislature may not authorize the new facility unless it also appropriates funds for the increase in state funding for program expansion and operations and maintenance. To the extent allowed by law, at the end of each fiscal year following approval of a new facility but prior to receipt of its certificate of occupancy, the appropriation made in this subsection (3) reverts to its originating fund. The appropriation is not subject to the provisions of 17-7-304.

(b) It is the legislature's intent that the appropriations in this subsection (3) become part of the respective agency's base budget for the biennium beginning July 1, 2025.

(c) The following money is appropriated for the biennium beginning July 1, 2023, to the indicated agency from the indicated sources for program expansion or operations and maintenance for the indicated new facility:
