11
12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

13
14 NEW SECTION. **Section 1. Purpose.** The right of the people to exercise the rights of initiative and
15 referendum in a local government unit is guaranteed by Article XI, section 8, of the Montana constitution and
16 may be exercised through adherence to the procedures established in [sections 1 through 13].

17
18 NEW SECTION. **Section 2. Definitions.** As used in [sections 1 through 13], unless the context
19 clearly indicates otherwise, the following definitions apply:

- 20 (1) "Local government" means any city, town, county, or consolidated city-county.
21 (2) "Local government's next election held in accordance with Title 13, chapter 1, part 4" means a
22 primary or general election that includes the regularly scheduled nomination or election of officers of that local
23 government unit.

24
25 NEW SECTION. **Section 3. Requirements for ballot issues referred by local government or by**
26 **petition.** A petition provided for in [sections 4 through 10] or a resolution provided for in [section 11] for an
27 election must:

- 28 (1) embrace only a single comprehensive subject;

1 (2) set out fully the ordinance sought, the ordinance to be amended and the proposed amendment,
2 or the ordinance to be repealed;

3 (3) be in the form provided by [sections 1 through 13]; and

4 (4) contain transition provisions if the measure changes terms of office or forms of government.
5

6 **NEW SECTION. Section 4. Procedure for election on local government petition.** (1) Except as
7 provided in 7-5-131, the electors of a local government may, by petition, request an election on whether to
8 enact, repeal, or amend an ordinance.

9 (2) Except as provided in [section 9(3)], a petition under [sections 4 through 10] signed by at least
10 15% of the local government's qualified electors is sufficient to require an election. In order to determine the
11 number of signatures needed on a petition to meet the percentage requirements of this subsection, the number
12 of electors must be the number of individuals registered to vote at the preceding general election for the local
13 government.

14 (3) Before a petition may be circulated for signatures, a sample petition must be submitted in the
15 form in which it will be circulated to the county election administrator. On receiving the sample petition, the
16 county election administrator shall promptly refer a copy of the sample petition to the attorney for the relevant
17 local government unit.

18 (4) (a) The local government attorney shall review the sample petition for proper form and
19 compliance with 7-5-131 and [sections 1 through 13].

20 (b) If the sample petition is rejected as to form, within 21 days after submission of the sample
21 petition, the local government attorney shall send written notice and a statement of the reasons for rejection to
22 the person who submitted the sample petition and the county election administrator.

23 (c) If the sample petition is approved as to form, within 21 days after submission of the sample
24 petition, the local government attorney shall send written notice to the person who submitted the sample
25 petition and the county election administrator. This notice must include the statement of purpose and the
26 statements of implication prepared by the local government attorney pursuant to subsections (5) and (6) of this
27 section.

28 (5) If the sample petition is approved as to form, the local government attorney shall prepare a

1 concise statement of purpose not exceeding 135 words. The statement of purpose must be an accurate and
 2 impartial explanation of the purpose of the proposed ballot issue in plain, easily understood language. The
 3 statement may not be an argument and may not be written so as to create prejudice for or against the issue.
 4 The statement prepared pursuant to this subsection, unless altered by court order, must be used as the petition
 5 title and the ballot statement if the issue is placed on the ballot. For the purposes of this subsection (5), the
 6 word limit does not apply to additional statements required on the ballot by law, including those provided in 7-7-
 7 111 and 15-10-425(3).

8 (6) At the time the statement of purpose is prepared, the local government attorney shall prepare a
 9 statement of the implication of a vote for and a statement of the implication of a vote against the ballot issue.
 10 Unless otherwise provided by law, each statement of implication may not be more than 25 words and must be
 11 in simple, impartial language that clearly explains the meaning of a vote for or a vote against the issue. Each
 12 statement of implication prepared pursuant to this section, unless altered by a court order, is to be used on the
 13 petition and the ballot if the issue is placed on the ballot. The statements of implication must be placed beside
 14 the diagram provided for marking of the ballot in a manner similar to the following example:

- 15 FOR weekly commission meetings.
- 16 AGAINST weekly commission meetings.

17
 18 **NEW SECTION. Section 5. Form of petition.** (1) A local government petition must be substantially in
 19 the form provided by [sections 4 through 10]. Clerical or technical errors that do not interfere with the ability to
 20 judge the sufficiency of signatures on the petition do not render a petition void.

21 (2) (a) Petition sheets may not exceed 8 1/2 x 14 inches in size. Separate sheets of a petition may
 22 be fastened in sections of not more than 25 sheets.

23 (b) Near the top of each sheet containing signature lines must be printed the number of the
 24 ordinance referred or the petition title. If signature lines are printed on both the front and back of a petition
 25 sheet, the information required above must appear on both the front and back of the sheet.

26 (c) The complete text of the issue proposed or referred must be attached to or contained within
 27 each signature sheet if sheets are circulated separately. The text of the issue must be in the format prescribed
 28 by the governing body pursuant to 7-5-103(1) and, unless otherwise provided by the governing body of the local

1 government, using the style and language and form guide of the most recent edition of the bill drafting manual
2 furnished by the legislative services division. If sheets are circulated in sections, the complete text of the issue
3 must be attached to each section.

4 (3) An internet posting of petition language must include a statement that the petition language
5 and format may not be modified. An internet posting must include an affidavit in substantially the same form as
6 provided in [section 6].

7 (4) Unless otherwise provided by law, the following is substantially the form for a local government
8 petition calling for approval or rejection of an ordinance:

9 PETITION TO PLACE [ORDINANCE NO. ____ OR PROPOSED ORDINANCE NO. 20 _ - _]

10 ON THE ELECTION BALLOT

11 (a) If [insert appropriate percentage of voters or appropriate number of voters] of [insert
12 appropriate local government unit] voters sign this petition, this proposal will appear on the election ballot of
13 [insert appropriate local government entity] to be conducted on [insert date of election]. If a majority of voters
14 vote for this proposal at that election it will become law.

15 (b) We, the undersigned [insert appropriate local government entity] voters, propose that the
16 county election administrator place the following proposal on the election ballot:

17 (Petition title written in conformity with [section 4])

18 (Statements of implication written in conformity with [section 4])

19 (c) Voters are urged to read the complete text of the proposal, which appears (on the reverse side
20 of, attached to, etc., as applicable) this sheet. A signature on this petition is only to put the proposal on the
21 ballot and does not necessarily mean the signer agrees with the proposal.

22 (d)

23 WARNING

24 A person who purposefully signs a name other than the person's own to this petition, who signs more
25 than once for the same issue at one election, or signs when not a legally registered Montana voter is subject to
26 a \$500 fine, 6 months in jail, or both.

27 (e) Each person is required to sign the person's name and list the person's address or telephone
28 number in substantially the same manner as on the person's voter registration form or the signature will not be

1 counted.

2 (5) Numbered lines must follow the heading. Each numbered line must contain spaces for the
3 signature, date, residence address, and printed last name and first and middle initials of the signer. In place of a
4 residence address, the signer may provide the signer's post-office address or the signer's home telephone
5 number. An address provided on a petition by the signer that differs from the signer's address as shown on the
6 signer's voter registration form may not be used as the only means to disqualify the signature of that petition
7 signer.

8

9 NEW SECTION. Section 6. Affidavit to accompany signatures. An affidavit, in substantially the
10 form provided in 1-6-105 or in the following form, must be attached to each petition sheet or petition section
11 submitted to the county official:

12 I, (name of person who is the signature gatherer), swear that I gathered the signatures on the petition
13 to which this affidavit is attached on the stated dates, that I believe the signatures on the petition are genuine,
14 are the signatures of the person whose names they purport to be, and are the signatures of [insert appropriate
15 local government unit] electors who are registered at the address or have the telephone number following the
16 person's signature, and that the signers knew the contents of the petition before signing the petition.

2 NEW SECTION. Section 7. Petition signatures. (1) A petition approved as to form may not be
3 circulated for the purpose of signature gathering more than 1 year prior to the final date for filing the signed
4 petition with the county election administrator.

5 (2) A local government petition may be signed only by a qualified elector of the local government.

6 (3) A person gathering signatures for a petition may not be paid anything of value based on the
7 number of signatures gathered.

8 (4) Signatures may be withdrawn from a petition up to the time of final submission of petition
9 sheets.

10 (5) Signatures must be verified in the manner provided in 13-27-103.

11

12 NEW SECTION. Section 8. Governing body review of petition. (1) The governing body may, within
13 60 days of receiving the petition, take the action called for in the petition. If the action is taken, the question
14 need not be submitted to the electors. If the county election administrator has already certified the ballot issue
15 pursuant to [section 9], the results of the election are void.

16 (2) If the governing body does not within 60 days take the proposed action and the ballot issue is
17 certified by the county election administrator, then the question must be submitted to the electors at the election
18 specified in the petition.

19

20 NEW SECTION. Section 9. Submission of signatures -- certification -- election. (1) Signed
21 sheets or sections of petitions with original signatures must be:

22 (a) collected and filed with the official responsible for the registration of electors in the county in
23 which the signatures were obtained within 90 days of the date of the notice that the petition was approved as to
24 form pursuant to [section 4]; and

25 (b) submitted no later than 4 weeks before the certification date specified in subsection (2) of this
26 section.

27 (2) The county election administrator shall certify a local government ballot issue for a local
28 government election no later than 85 days before the election.

1 (3) Subject to [section 7(1)] and subsections (1) and (2) of this section, an election on an approved
 2 petition containing sufficient signatures held pursuant to [sections 1 through 13] must be conducted in
 3 conjunction with the local government's next election held in accordance with Title 13, chapter 1, part 4.
 4 However, if the petition requests a special election, is signed by at least 25% of the qualified electors, and
 5 otherwise complies with the requirements of subsections (1) and (2) of this section, a special election must be
 6 held on the date specified in the petition. In order to determine the number of signatures needed on a petition to
 7 meet the percentage requirements of this subsection (3), the number of electors must be calculated as provided
 8 in [section 4(2)].

9
 10 NEW SECTION. **Section 10. Delay of ordinance's effective date -- suspension of emergency**
 11 **ordinance.** (1) If an approved petition containing sufficient signatures is filed prior to the ordinance's effective
 12 date or within 60 days after the passage of the ordinance, whichever is later, a petition requesting an election
 13 on whether to amend or repeal the ordinance delays the ordinance's effective date until the ordinance is ratified
 14 by the electors.

15 (2) If an approved petition containing sufficient signatures is filed within 60 days after the effective
 16 date of an emergency ordinance, the emergency ordinance is suspended until it is ratified by the electors.

17
 18 NEW SECTION. **Section 11. Ballot issue referred by governing body of local government.** (1) A
 19 governing body of a local government may refer an existing or proposed ordinance to a vote of the people by
 20 resolution.

21 (2) Unless otherwise provided by law, an ordinance referred to a vote of the people by the
 22 governing body of a local government must comply with the statement of purpose requirements of [section 4(5)]
 23 and the statements of implication requirements provided by [section 4(6)].

24 (3) The governing body of the local government shall transmit a local government ballot issue
 25 referred to a vote of the people according to the requirements of Title 13, chapter 1, part 4.

26
 27 NEW SECTION. **Section 12. Effective date of local government ballot issue.** If a majority of
 28 people voting on the question of a local government ballot issue conducted pursuant to [sections 1 through 13]

1 approve the proposal, the local government ballot issue becomes effective when the election results are
2 officially declared, unless otherwise stated in the proposal.

3

4 NEW SECTION. **Section 13. Suit to determine validity and constitutionality of petition and**
5 **proposed action.** (1) The governing body may direct that a suit be brought in district court by the local
6 government to determine whether the proposed action is valid and constitutional. The suit must be initiated
7 within 14 days of the date a petition is approved as to form under [section 4].

8 (2) An action brought under this section takes precedence over other cases and matters in the
9 district court. The court shall render a decision as soon as possible as to whether the proposed action is valid
10 and constitutional.

11 (3) If the defendant prevails, the defendant is entitled to be reimbursed by the local government for
12 costs and reasonable attorney fees incurred.

13 (4) The 90-day period during which petition signatures must be collected under [section 10] begins
14 on the date of the court order resolving the suit.

22 (a) one additional justice's court located anywhere in the county; and

23 (b) one additional justice's court located in each city having a population of over 5,000, as provided
24 in subsection (3).

25 (3) A city having a population of over 5,000 may, by resolution, request the board of county
26 commissioners to constitute a justice's court in the city. A justice's court must be established in the city if the
27 board of county commissioners approves the request by resolution.

28 (4) A justice of the peace of a court established pursuant to subsection (3) may act as the city

1 judge upon passage of a city ordinance authorizing the action and upon approval of the ordinance by resolution
 2 of the board of county commissioners. If the ordinance and resolution are passed, the city and the county shall
 3 enter into an agreement for proportionate payment of the justice's salary, as established under 3-10-207 and 3-

 6 established as a court of record, it must be known as a "justice's court of record" and, in addition to the
