19
20 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

21
22 NEW SECTION. **Section 1. Short title.** [Sections 1 through 16] may be cited as the "State Energy
23 Resource Severance Act".

24
25 NEW SECTION. **Section 2. Definitions.** As used in [sections 1 through 16], unless the context
26 clearly indicates otherwise, the following definitions apply:

27 (1) "Electrical energy producer" means each person or other organization engaged in the
28 generation, manufacture, or production of electricity and electrical energy in the state, either through water,

1 wind, solar, or any other means, for barter, sale, or exchange.

2 (2) "Sale price" means the gross sale price without any deduction measured at the place of
3 production.

4
5 **NEW SECTION. Section 3. Rate of tax -- exemption.** (1) Except as provided in subsection (2), an
6 energy severance tax is imposed for the use of the state's resources to produce electricity. The tax is imposed
7 at a rate of 10% of the sale price of electricity by an electrical energy producer.

8 (2) The following electrical generation is exempt from the provisions of [sections 1 through 16]:

9 (a) electrical generation from coal or coal-fired steam turbines; and

10 (b) electrical generation facilities used for noncommercial purposes or exclusively for agricultural
11 purposes.

12
13 **NEW SECTION. Section 4. Returns -- payment -- authority of department -- rulemaking.** (1) On
14 or before the 30th day of the month following the end of the calendar quarter in which the tax imposed by
15 [sections 1 through 16] is payable, a return, on a form provided by the department, and payment of the tax for
16 the preceding calendar quarter must be filed with the department.

17 (2) Each electrical energy producer in this state that is subject to the tax under [sections 1 through
18 16] shall file a return.

19 (3) (a) A person required to collect and pay to the department the tax imposed by [sections 1
20 through 16] shall keep records, render statements, make returns, and comply with the provisions of [sections 1
21 through 16] and the rules prescribed by the department. Each return or statement must include the information
22 required by the rules of the department.

23 (b) For the purpose of determining compliance with the provisions of [sections 1 through 16], the
24 department is authorized to examine or cause to be examined any books, papers, records, or memoranda
25 relevant to making a determination of the amount of tax due, whether the books, papers, records, or
26 memoranda are the property of or in the possession of the person filing the return or another person. In
27 determining compliance, the department may use statistical sampling and other sampling techniques consistent
28 with generally accepted auditing standards. The department may also:

- 1 (i) require the attendance of a person having knowledge or information relevant to a return;
- 2 (ii) compel the production of books, papers, records, or memoranda by the person required to
- 3 attend;
- 4 (iii) implement the provisions of 15-1-703 if the department determines that the collection of the tax
- 5 is or may be jeopardized because of delay;
- 6 (iv) take testimony on matters material to the determination; and
- 7 (v) administer oaths or affirmations.
- 8 (4) Pursuant to rules established by the department, returns may be computer-generated and
- 9 electronically filed.

10

11 **NEW SECTION. Section 5. Examination of return -- adjustments -- delivery of notices and**

12 **demands.** (1) If the department determines that the amount of tax due is different from the amount reported,

13 the amount of tax computed on the basis of the examination conducted pursuant to 15-72-110 constitutes the

14 tax to be paid.

15 (2) If the tax due exceeds the amount of tax reported as due on the taxpayer's return, the excess

16 must be paid to the department within 30 days after notice of the amount and demand for payment is mailed or

17 delivered to the person making the return unless the taxpayer files a timely objection as provided in 15-1-211. If

18 the amount of the tax found due by the department is less than that reported as due on the return and has been

19 paid, the excess must be credited or, if no tax liability exists or is likely to exist, refunded to the person making

20 the return.

21 (3) The notice and demand provided for in this section must contain a statement of the

22 computation of the tax and interest and must be:

23 (a) sent by mail to the taxpayer at the address given in the taxpayer's return, if any, or to the

24 taxpayer's last-known address; or

25 (b) served personally on the taxpayer.

26 (4) A taxpayer filing an objection to the demand for payment is subject to and governed by the

27 uniform tax review procedure provided in 15-1-211.

28

1 **NEW SECTION. Section 6. Penalties and interest for violation.** (1) (a) A person who fails to file a

2 return as required by 15-72-110 must be assessed a penalty as provided in 15-1-216. The department may
3 waive the penalty as provided in 15-1-206.

4 (b) A person who fails to file the return required by 15-72-110 and to pay the tax on or before the
5 due date must be assessed penalty and interest as provided in 15-1-216. The department may waive any
6 penalty pursuant to 15-1-206.

7 (2) A person who purposely fails to pay the tax when due must be assessed an additional penalty
8 as provided in 15-1-216.

9
10 **NEW SECTION. Section 7. Authority to collect delinquent taxes.** (1) (a) The department shall

11 collect taxes that are delinquent as determined under [sections 1 through 16].

12 (b) If a tax imposed by [sections 1 through 16] or any portion of the tax is not paid when due, the
13 department may issue a warrant for distraint as provided in Title 15, chapter 1, part 7.

14 (2) In addition to any other remedy, in order to collect delinquent taxes after the time for appeal
15 has expired, the department may direct the offset of tax refunds or other funds that are due to the taxpayer from
16 the state, except for wages subject to the provisions of 25-13-614 and retirement benefits.

17 (3) As provided in 15-1-705, the taxpayer has the right to a review on the tax liability prior to an
18 offset by the department.

19 (4) The department may file a claim for state funds on behalf of the taxpayer if a claim is required
20 before funds are available for offset.

21
22 **NEW SECTION. Section 8. Penalty and interest on deficiency.** Penalty and interest must be

23 added to any deficiency assessment as provided in 15-1-216.

24

26 knowingly, as those terms are defined in 45-2-101, files a false or fraudulent return violating the provisions of
27 [sections 1 through 16], a deficiency may not be assessed or collected with respect to a month or quarter for
28 which a return is filed unless the notice of additional tax proposed to be assessed is mailed to or personally

1 served on the taxpayer within 5 years from the date on which the return was filed. For the purposes of this
2 section, a return filed before the last day prescribed for filing is considered to be filed on the last day.

3 (2) If, before the expiration of the 5-year period prescribed in subsection (1) for assessment of the
4 tax, the taxpayer consents in writing to an assessment after expiration of the 5-year period, a deficiency may be
5 assessed at any time prior to the expiration of the period consented to by the taxpayer.

6
7 **NEW SECTION. Section 10. Refunds -- interest -- limitations.** (1) A claim for a refund or credit as a
8 result of overpayment of taxes collected under [sections 1 through 16] must be filed within 5 years of the date
9 on which the return was due, without regard to any extension of time for filing.

10 (2) (a) Interest on an overpayment must be paid or credited at the same rate as the interest rate
11 charged on unpaid taxes as provided in 15-1-216.

12 (b) Except as provided in subsection (2)(c), interest must be paid from the date on which the return
13 was due or the date of overpayment, whichever is later. Interest does not accrue during any period in which the
14 processing of a claim is delayed more than 30 days because the taxpayer has not furnished necessary
15 information.

16 (c) The department is not required to pay interest if:

- 17 (i) the overpayment is refunded or credited within 6 months of the date on which a claim was filed;
18 or
