14 public elementary and secondary schools to include educational programs to provide for students with limited
15 English proficiency; and

16 WHEREAS, the Legislature is required under section 20-9-309, MCA, to consider the needs of students
17 with limited English proficiency in developing a mechanism to fund the basic system of free quality public
18 elementary and secondary schools; and

19 WHEREAS, currently there is no mechanism in Montana's school funding formula that addresses the
20 needs of students with limited English proficiency.

21
22 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

23
24 NEW SECTION. **Section 1. Programs to serve English learners -- funding.** (1) A public school
25 district or a consortium of public school districts receiving subgrants under 20 U.S.C. 6825 from the office of
26 public instruction for the purposes of conducting programs serving students with limited English proficiency, as
27 defined in 20-1-101 and referred to in 20-9-309, is entitled to state matching funds under this section.

28 (2) The office of public instruction shall distribute from money appropriated for this purpose by the

1 last day of January a maximum amount of \$10 for each dollar that the office of public instruction allocated as a
2 subgrant to a public school district under 20 U.S.C. 6825 in the prior year. The office of public instruction shall
3 prorate payments to districts based on the available appropriation. The money received by a school district
4 must be deposited in the miscellaneous programs fund and administered as provided in 20-9-507 and may be
5 expended only for programs serving students with limited English proficiency.

6
7 **NEW SECTION. Section 2. Professional stipends for highly qualified teachers serving English**
8 **learners.** (1) Pursuant to subsection (5), an annual stipend of up to \$500 must be provided to each teacher
9 who holds a culturally and linguistically diverse certificate or a teaching certificate with an English as a second
10 language endorsement if the teacher is:

11 (a) a classroom teacher serving students with limited English proficiency as defined in 20-1-101;

12 (b) certified to teach in the state under the provisions of 20-4-103; and

13 (c) a full-time employee of:

14 (i) a Montana public school district as defined in 20-6-101;

15 (ii) an education cooperative as described in 20-7-451;

16 (iii) the Montana school for the deaf and blind as described in 20-8-101; or

17 (iv) a correctional facility as defined in 41-5-103.

18 (2) An annual stipend of up to \$1,000 must be provided to each teacher who meets the criteria for
19 the stipend in subsection (1) and who has an instructional assignment in a school identified as:

20 (a) a school in a high-poverty area eligible to participate in the community eligibility provision under

25 as a second language endorsement.

26 (4) By March 1, the superintendent of public instruction shall distribute stipend payments to any
27 entity listed in subsections (1)(c)(i) through (1)(c)(iv) that employs an eligible teacher.

28 (5) The obligation for funding a portion of the professional stipends is an obligation of the state.

1 This section may not be construed to require a school district to provide its matching portion of a stipend to a
2 qualifying teacher without a payment from the state to the district. If the money appropriated for the stipends is
3 not enough to provide the full amount for each eligible teacher, the superintendent of public instruction shall
4 request the state budget director to submit a request for a supplemental appropriation in the second year of the
5 biennium that is sufficient to complete the funding of the stipends.

6 (6) (a) For a stipend under subsection (1), the state shall pay \$200 and another \$1 for each \$1
7 contributed by the teacher's school district, up to a maximum state contribution of \$350.

8 (b) For a stipend under subsection (2), the state shall pay \$400 and another \$2 for each \$1
9 contributed by the teacher's school district, up to a maximum state contribution of \$800.

10 (7) For the purposes of this section, "culturally and linguistically diverse certificate" means a
11 certificate issued by an accredited postsecondary institution that:

12 (a) requires a minimum of 12 postsecondary credit hours; and

13 (b) is designed to enhance a teacher's ability to develop the full educational potential of a student
14 with limited English proficiency.

15
16 **NEW SECTION. Section 3. Appropriation.** (1) There is appropriated \$5 million from the state
17 general fund to the office of public instruction for both fiscal years 2026 and 2027 for the purposes described in
18 [section 1].

20 both fiscal years 2026 and 2027 for the purposes described in [section 2].

21 (3) The legislature intends that the appropriations in subsections (1) and (2) be considered part of
22 the ongoing base for the next legislative session.
