19 administer [sections 1 through 13].

21 NEW SECTION. Section 5. Reporting and collection of assessment fee. (1) On or before March

23 received during the previous calendar year. The report must be:

24 (a) in the form prescribed by the department; and

25 (b) accompanied by a payment in an amount equal to the assessment fee required to be paid
26 under [section 2].

27 (2) Revenue received for all emergency ambulance services provided during the calendar year

7 documents of an ambulance provider to ensure that the proper assessment fee has been collected.

8 (2) The department may require the ambulance provider to provide records and other
9 documentation, including books, ledgers, and registers, necessary for the department to verify the proper
10 amount of the assessment fee paid.

11 (3) An ambulance provider shall maintain and make available for inspection by the department
12 sufficient records and other documentation to demonstrate how the ambulance provider's net operating revenue
13 was calculated. The ambulance provider shall maintain the records for at least 5 years from the date the report
14 is due.

15
16 **NEW SECTION. Section 7. Periods of limitation.** (1) Except as otherwise provided in this section, a
17 deficiency may not be assessed or collected with respect to the year for which a report is filed unless the notice
18 of additional fees proposed to be assessed is mailed within 5 years from the date the report was filed. For the
19 purposes of this section, a report filed before the last day prescribed for filing is considered filed on the last day.
20 If, before the expiration of the period prescribed for the assessment of the fees, the ambulance provider
21 consents in writing to an assessment after the 5-year period, the fees may be assessed at any time prior to the
22 expiration of the period agreed on.

23 (2) A refund or credit may not be paid or allowed with respect to the year for which a report is filed
24 after 5 years from the last day prescribed for filing the report or after 1 year from the date of the overpayment,
25 whichever period expires later, unless before the expiration of the period, the ambulance provider files a claim
26 or the department has determined the existence of the overpayment and has approved the refund or credit. If
27 the ambulance provider has agreed in writing under the provisions of subsection (1) to extend the time within
28 which the department may propose an additional assessment, the period for filing a claim for a refund or credit

or for allowing a refund or credit if no claim is filed, is automatically extended.

NEW SECTION. Section 8. Penalty and interest for delinquent fee. If an ambulance provider does not pay the required assessment fee on or before the due date of the report as provided in [section 5], penalty and interest, as provided in 15-1-216, must be added to the assessment fee.

NEW SECTION. Section 9. Estimated assessment fee on failure to file. For the purposes of ascertaining the correctness of any report, the department may:

- (1) examine or cause to have examined by a designated agent or representative any books, papers, records, or memoranda bearing on the information required to be included in the report;
- (2) require the attendance of any officer or employee of the ambulance provider making the report or the attendance of any other persons having relevant knowledge; and
- (3) take testimony and require the production of any other material for its information.

NEW SECTION. Section 10. Deficiency assessment -- penalty and interest -- hearing. (1) (a) If the department determines that the amount of the assessment fee due is greater than the amount disclosed by the report, it shall mail the ambulance provider a notice of the additional fees proposed to be assessed. Within 30 days after the mailing of the notice, the ambulance provider may file with the department a written protest against the proposed additional fees stating the grounds on which the protest is based. The ambulance provider may request in its protest an oral hearing or an opportunity to present additional evidence relating to its fee liability.

(b) If a protest is not filed, the amount of the additional fees proposed to be assessed becomes final on the expiration of the 30-day period.

(c) If a protest is filed, the department shall reconsider the proposed assessment and, if the ambulance provider has requested, shall grant the provider an oral hearing. After consideration of the protest and the evidence presented at an oral hearing, the department's action on the protest is final when it mails notice of its action to the ambulance provider.

(2) When a deficiency is determined and the fees become final, the department shall mail a notice

1 and demand to the ambulance provider for payment. Penalty and interest may be added to any deficiency
2 assessment as provided in 15-1-216.

3
4 **NEW SECTION. Section 11. Closing agreements.** (1) The director of the department or a person
5 authorized in writing by the director may enter into an agreement with an ambulance provider relating to the
6 liability of the provider in respect to fees imposed by [sections 1 through 13].

7 (2) An agreement under this section is final and conclusive, and, except on a showing of fraud,
8 malfeasance, or misrepresentation of a material fact:

9 (a) the case may not be reopened as to matters agreed on or the agreement modified by an
10 officer, employee, or agent of this state; and

11 (b) in a suit, action, or proceeding under the agreement or a determination, assessment, collection,
12 payment, abatement, refund, or credit made in accordance with the agreement, the agreement may not be
13 annulled, modified, set aside, or disregarded.

14
15 **NEW SECTION. Section 12. Credit for overpayment -- interest on overpayment.** (1) If the
16 department determines that the amount of fees, penalty, or interest due for any year is less than the amount
17 paid, the amount of the overpayment must be credited against any fees, penalty, or interest then due from the
18 ambulance provider and the balance must be refunded to the ambulance provider or its successor through
19 reorganization, merger, or consolidation or to its shareholders on dissolution.

20 (2) Except as provided in subsection (3), interest is allowed on overpayments at the same rate as
21 is charged on unpaid taxes, as provided in 15-1-216. Interest is due from the due date of the report or from the
22 date of overpayment, whichever date is later, to the date the department approves refunding or crediting of the
23 overpayment. Interest does not accrue during a period during which the processing of a claim for refund is
24 delayed more than 30 days by reason of failure of the ambulance provider to furnish information requested by
25 the department for the purpose of verifying the amount of the overpayment.

26 (3) Interest is not allowed:

27 (a) if the overpayment is refunded within 6 months from the date the report is due or from the date
28 the return is filed, whichever is later; or

(b) if the amount of interest is less than \$1.

(4) A payment not made incident to a discharge of actual ambulance provider assessment fee liability or payment reasonably assumed to be imposed under [sections 1 through 13] is not considered an overpayment with respect to which interest is allowable.

NEW SECTION. Section 13. Warrant for distraint. If the assessment fee is not paid when due, the department may issue a warrant for distraint as provided in Title 15, chapter 1, part 7.

NEW SECTION. Section 14. Ambulance medicaid reimbursement special revenue account -- statutory appropriation. (1) There is an ambulance medicaid reimbursement account in the state special revenue account provided for in 17-2-102 to the credit of the department of public health and human services.

(2) The account consists of:

(a) money from the assessment fee provided for in [section 2];

(b) any penalties and interest on penalties collected pursuant to [sections 1 through 13];

(c) other money authorized by the legislature to be credited to the account; and

(d) income earned on the account.

(3) Money in the account must be used by the department of public health and human services to provide funding no later than ~~June 30~~ SEPTEMBER 30 of each year for increases in medicaid payments to emergency ambulance services up to the average commercial rate for the service and for the cost of collection of the fees and other administrative activities associated with the implementation of increases in the medicaid payments to ambulance providers.

(4) Money remaining in the account at the end of a fiscal year may not be expended or transferred for any other purpose.

(5) Money in the account is statutorily appropriated, as provided in 17-7-502, for the purposes provided for in this section.
