18 consider landowner tolerance when deciding whether to restrict elk hunting on surrounding public land in a
19 particular hunting district. As used in this subsection (1)(h), "landowner tolerance" means the written or
20 documented verbal opinion of an affected landowner regarding the impact upon the landowner's property within

4 seasons, conditions, programs, or other provisions that the commission considers appropriate to promote or
5 enhance hunting by Montana's youth and persons with disabilities.

6 (4) (a) The commission may adopt rules regarding nonresident big game combination licenses to:

- 6 hunters.
- 7 (6) The commission may not regulate the use or possession of firearms, firearm accessories, or
- 8 ammunition, including the chemical elements of ammunition used for hunting. This does not prevent:
- 9 (a) the restriction of certain hunting seasons to the use of specified hunting arms, such as the
- 10 establishment of special archery seasons and the special muzzleloader heritage hunting season established in
- 11 87-1-304;
