13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

14

15 **Section 1.** Section 53-30-131, MCA, is amended to read:

16 **"53-30-131. Montana correctional enterprises prison industries training program -- purpose**

17 **and scope.** (1) There is a Montana correctional enterprises program within the department of corrections to

18 operate a prison industries training program. The Montana correctional enterprises program shall:

19 (a) prepare inmates for release by providing vocational education training and work programs at

20 facilities owned, operated, and contracted with by the department; and

21 (b) provide inmates the opportunity to earn money to pay restitution, fines, and fees, to pay for

22 hygiene and commissary items, and to save for their eventual release from incarceration.

23 (2) The prison industries training program consists of educational programming, vocational

24 education, on-the-job training, and production experience. The Montana correctional enterprises program may

25 contract with public and private educational entities to provide this training.

26 (3) The Montana correctional enterprises program may:

27 (a) provide training and experience within the prison system in:

28 (i) cultivation, production, processing, manufacture, repair, construction, refurbishment, service,

1 and related processes involving personal property, including but not limited to such items as crops, milk and
2 milk products, wood products, livestock, furniture, and office and electrical equipment;

3 (ii) animal training and boarding;

4 (iii) vehicle and equipment maintenance and repair;

5 (iv) wildland fire suppression; and

6 (v) approved community work programs for governmental entities and not-for-profit organizations;

7 (b) provide for the repair and maintenance of property and equipment of institutions or facilities by
8 inmates;

9 (c) provide for construction projects, up to the aggregate sum of ~~\$200,000~~ \$1 million for each
10 project, performed by inmates. The department of administration may:

11 (i) exempt projects authorized by this subsection (3)(c) from the provisions of Title 18, chapter 2,
12 relating to construction, public bidding, bonding, or contracts; and

13 (ii) exempt inmates who provide labor for those projects from the labor and wage requirements of
14 Title 18, chapter 2, part 4.

15 (d) provide for the manufacture by prison industries of highway, road, and general information
16 signs for the use of the state or any of its political subdivisions, except when the manufacture of the signs is in
17 violation of a collective bargaining contract; ~~and~~

18 (e) provide for the manufacture of motor vehicle license plates and other related articles; and

19 (f) provide vocational programs that support private market demand.

20 (4) The Montana correctional enterprises program may provide its products and services to
21 government agencies, school districts, and nonprofit and for-profit organizations ~~through contracts and dealer~~
22 ~~networks~~. Furniture, print, and sign shop products may be sold to the general public ~~only through dealer~~
23 ~~networks~~.

24 (5) Except as provided in subsection (6), furniture made in the prison may be purchased by state
25 agencies in accordance with the procurement provisions under Title 18, chapter 4.

26 (6) Any state institution, facility, or program operated by the department of corrections may
27 purchase prison-made ~~furniture~~ goods without complying with the procurement provisions under Title 18,
28 chapter 4.

(7) The Montana correctional enterprises program may donate surplus food grown or produced at the prison to local food banks, nonprofit organizations, and low-income persons.

(8) The Montana correctional enterprises program is authorized to sell livestock on the open market."

Section 2. Section 53-30-132, MCA, is amended to read:

"53-30-132. (Temporary) Inmate participation and status in prison work programs -- Montana correctional enterprises prison industries training program -- wages and benefits. (1) Able-bodied persons committed to a state prison as adult offenders may be required to perform work as provided for by the department of corrections, including work in the Montana correctional enterprises prison industries training program involving the manufacture of products or the rendering of services. In order to ensure the public safety, the department may secure inmates performing work.

(2) The Montana correctional enterprises prison industries training program may:

(a) obtain federal certification, as required by federal law, of specific prison industries programs in order to gain access to interstate markets for prison industries products;

(b) print catalogs describing goods manufactured or produced by prison industries and distribute the catalogs;

(c) fix the sale price for goods produced or manufactured by prison industries. Prices may be set according to market standards and prices for goods or services of comparable quality. The price of products must include the cost of all raw materials and labor used to manufacture or produce the product.

(d) require a correctional facility to purchase needed goods and services from the Montana correctional enterprises program.

(3) The Montana correctional enterprises program may:

(a) pay an inmate from receipts from the sale of products produced or manufactured or services rendered in a program in which the inmate is working;

(b) collect 15% of the gross wages paid to an inmate employed in a federally certified prison industries program to satisfy any unpaid court-ordered obligations, including restitution on previously discharged sentences for which restitution remains owing. If the inmate's court-ordered obligations have been

1 fully paid or no restitution was ordered, the Montana correctional enterprises program shall collect 15% of the
2 gross wages paid to an inmate for transfer quarterly to the crime victims compensation and assistance program
3 in the department of justice for deposit in the account provided for in 53-9-113.

4 (c) collect charges for room and board from an inmate employed in a federally certified prison
5 industries program. The Montana correctional enterprises program shall deposit inmates' room and board
6 charges into its enterprise fund to help defray the cost of prison industries training programs.

7 (4) While engaged in on-the-job training and production, inmates not ~~employed~~ working in a
8 federally certified prison industries program may be paid a wage in accordance with subsection (5). Inmates
9 employed in a federally certified prison industries program must be paid as provided in subsection (5)(b).

10 (5) (a) Except as provided in subsection (5)(b), the maximum rate of pay must be determined by
11 the appropriation established for the program, and payment for the performance of work may be based on the
12 following criteria:
