"20-9-311. Calculation of average number belonging (ANB) -- 3-year averaging. (1) Average number belonging (ANB) must be computed for each budget unit as follows:

(a) compute an average enrollment by adding a count of regularly enrolled pupils who were

1 enrolled as of the first Monday in October of the prior school fiscal year to a count of regularly enrolled pupils on
2 the first Monday in February of the prior school fiscal year or the next school day if those dates do not fall on a
3 school day, and divide the sum by two; and

4 (b) multiply the average enrollment calculated in subsection (1)(a) by the sum of 180 and the
5 approved pupil-instruction-related days for the current school fiscal year and divide by 180.

6 (2) For the purpose of calculating ANB under subsection (1), up to 7 approved pupil-instruction-
7 related days may be included in the calculation.

8 (3) When a school district has approval to operate less than the minimum aggregate hours under
9 20-9-806, the total ANB must be calculated in accordance with the provisions of 20-9-805.

10 (4) (a) Except as provided in subsection (4)(d), for the purpose of calculating ANB, enrollment in
11 an education program:

12 (i) from 180 to 359 aggregate hours of pupil instruction per school year is counted as one-quarter-
13 time enrollment;

14 (ii) from 360 to 539 aggregate hours of pupil instruction per school year is counted as half-time
15 enrollment;

16 (iii) from 540 to 719 aggregate hours of pupil instruction per school year is counted as three-
17 quarter-time enrollment; and

18 (iv) 720 or more aggregate hours of pupil instruction per school year is counted as full-time
19 enrollment.

21 180 aggregate hours of pupil instruction per school year may not be included for purposes of ANB.

22 (c) Enrollment in a self-paced program or course may be converted to an hourly equivalent based
23 on the hours necessary and appropriate to provide the course within a regular classroom schedule.

24 (d) A school district may include in its calculation of ANB a pupil who is enrolled in a program
25 providing fewer than the required aggregate hours of pupil instruction required under subsection (4)(a) or (4)(b)
26 if the pupil has demonstrated proficiency in the content ordinarily covered by the instruction as determined by
27 the school board using district assessments. The ANB of a pupil under this subsection (4)(d) must be converted

3 concurrently enrolled in more than one public school, program, or district may not be counted as more than one

9 (4) in both the October and February enrollment counts following the student's participation in the jumpstart
10 program.

11 (5) For a district that is transitioning from a half-time to a full-time kindergarten program, the state
12 superintendent shall count kindergarten enrollment in the previous year as full-time enrollment for the purpose
13 of calculating ANB for the elementary programs offering full-time kindergarten in the current year. For the
14 purposes of calculating the 3-year ANB, the superintendent of public instruction shall count the kindergarten
15 enrollment as one-half enrollment and then add the additional kindergarten ANB to the 3-year average ANB for
16 districts offering full-time kindergarten.

17 (6) When a pupil has been absent, with or without excuse, for more than 10 consecutive school
18 days, the pupil may not be included in the enrollment count used in the calculation of the ANB unless the pupil
19 resumes attendance prior to the day of the enrollment count.

1 for individuals with developmental disabilities due to the significance of the student's disability; and

2 (iii) the student's individualized education program has identified transition goals that focus on

6 encouraged to collaborate with agencies and programs that serve adults with developmental disabilities in
7 meeting the goals of a student's transition plan.

8 (8) The average number belonging of the regularly enrolled pupils for the public schools of a
9 district must be based on the aggregate of all the regularly enrolled pupils attending the schools of the district,
10 except that:

11 (a) the ANB is calculated as a separate budget unit when:

12 (i) a school of the district is located more than 20 miles beyond the incorporated limits of a city or
13 town located in the district and at least 20 miles from any other school of the district, the number of regularly
14 enrolled pupils of the school must be calculated as a separate budget unit for ANB purposes and the district
15 must receive a basic entitlement for the school calculated separately from the other schools of the district;

16 (ii) a school of the district is located more than 20 miles from any other school of the district and

18 calculated separately for ANB purposes and the district must receive a basic entitlement for the school
19 calculated separately from the other schools of the district;

20 (iii) the superintendent of public instruction approves an application not to aggregate when

23 school, the number of regularly enrolled pupils of the school must be calculated separately for ANB purposes
24 and the district must receive a basic entitlement for the school calculated separately from the other schools of
25 the district; or

26 (iv) two or more districts consolidate or annex under the provisions of 20-6-422 or 20-6-423, the
27 ANB and the basic entitlements of the component districts must be calculated separately for a period of 3 years
28 following the consolidation or annexation. Each district shall retain a percentage of its basic entitlement for 3

1 additional years as follows:

2 (A) 75% of the basic entitlement for the fourth year;

3 (B) 50% of the basic entitlement for the fifth year; and

4 (C) 25% of the basic entitlement for the sixth year.

5 (b) when a junior high school has been approved and accredited as a junior high school, all of the
6 regularly enrolled pupils of the junior high school must be considered as high school district pupils for ANB
7 purposes;

8 (c) when a middle school has been approved and accredited, all pupils below the ~~7th~~6th grade
9 must be considered elementary school pupils for ANB purposes and the 6th, 7th, and 8th grade pupils must be
10 considered high school pupils for ANB purposes; or

11 (d) when a school has been designated as nonaccredited by the board of public education
12 because of failure to meet the board of public education's assurance and performance standards, the regularly
13 enrolled pupils attending the nonaccredited school are not eligible for average number belonging calculation
14 purposes, nor will an average number belonging for the nonaccredited school be used in determining the BASE
15 funding program for the district.

16 (9) The district shall provide the superintendent of public instruction with semiannual reports of
17 school attendance, absence, and enrollment for regularly enrolled students, using a format determined by the
18 superintendent.

19 (10) (a) Except as provided in subsections (10)(b) and (10)(c), enrollment in a basic education
20 program provided by the district through any combination of in-person or remote instruction may be included for
