FISCAL ANALYSIS

Assumptions:

- HB 41 would expand the Incumbent Worker Training (IWT) program within the Workforce Services Division (WSD) of the Department of Labor and Industry (DLI) to allow employers with greater than 50 workers to be eligible to participate in the IWT program. HB 41 would also increase the max grant award of each incumbent worker from \$2,000 to \$3,000. These changes would be implemented within the existing appropriations of the department, so there is no additional fiscal impact.
