9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

10  
11 **Section 1.** Section 5-7-112, MCA, is amended to read:

12 **"5-7-112. Payment threshold -- inflation adjustment.** For calendar year 2004 2025, the payment  
13 threshold referred to in 5-7-102(12)(b)(iii), 5-7-103, and 5-7-208 is ~~\$2,150~~ \$3,000. The commissioner shall  
14 adjust the threshold amount ~~following a general election~~ each even-numbered year by multiplying the threshold  
15 amount valid for the even year in ~~which the general election was held~~ by an inflation factor, ~~adopted by the~~  
16 ~~commissioner by rule. The rule must be written to reflect the annual average change in the consumer price~~  
17 ~~index from the prior year to the year in which the general election is held. The inflation factor is determined by~~  
18 dividing the consumer price index for June of the even-numbered year by the consumer price index for June of  
19 the prior year. The resulting figure must be rounded up or down to the nearest \$50 increment. The  
20 commissioner shall adopt the adjusted amount by rule, effective on January 1 of the following odd year."
