26 medicaid under 53-6-131(1)(e)(ii)(A).

27 (iii) Nothing in this subsection (6)(d) may be construed as preventing a person from making only a

1 (7) The department may adopt rules limiting eligibility based on criteria more restrictive than that  
2 provided in 53-6-131 if required by Title XIX of the Social Security Act, 42 U.S.C. 1396, et seq., as may be

12 department, as provided in 53-6-134, and shall also establish by rule the length of time for which extended  
13 medical assistance will be provided. The department, in exercising its discretion to set income limits and  
14 duration of assistance, may consider the amount of funds appropriated by the legislature.

15 (10) Unless required by federal law or regulation, the department may not adopt rules that exclude a  
16 child from medicaid services or require prior authorization for a child to access medicaid services if the child
