(4) If, at the time of sentencing, the sentencing judge did not apply a level designation to a sexual offender who is required to register under this part and who was sentenced prior to October 1, 1997, the department shall designate the offender as level 1, 2, or 3 when the offender is released from confinement.

(5) If an offense is covered by ~~46-23-502(10)(a)(xvii)~~ 46-23-502(10)(a)(xviii), the offender registers under 46-23-504(1)(c), and the offender was given a risk level designation after conviction by another state or the federal government, the department of justice may give the offender the risk level designation assigned by the other state or the federal government. All offenders convicted in another state or by the federal government who are not currently under the supervision of the department or the youth court and were not given a risk level designation after conviction shall provide to the department of justice all prior risk assessments and psychosexual evaluations done to evaluate the offender's risk to reoffend. Any offender without a risk assessment or psychosexual evaluation shall, at the offender's expense, undergo a psychosexual evaluation with a sexual offender evaluator who has a license endorsement as provided for in 37-1-139. The results of the

psychosexual evaluation may be requested by the attorney general or a county attorney for purposes of petitioning a district court to assign a risk level designation.

(6) The lack of a fixed residence is a factor that may be considered by the sentencing court or by the department in determining the risk level to be assigned to an offender pursuant to this section.

(7) Upon obtaining information that indicates that a sexual offender who is required to register under this part does not have a level 1, 2, or 3 designation, the offender, the attorney general, the county attorney that prosecuted the offender and obtained a conviction for a sexual offense, or the county attorney for the county in which the offender resides may, at any time, petition the district court that sentenced the offender for a sexual offense or the district court for the judicial district in which the offender resides to designate the offender as level 1, 2, or 3. Upon the filing of the petition, the court may order a psychosexual evaluation report at the petitioner's expense, or order that the results of all prior psychosexual evaluations be provided to all parties. The court shall provide the offender with an opportunity for a hearing prior to designating the offender. The petitioner shall provide the offender, the attorney general, and the county attorney that prosecuted the offender with notice of the petition and notice of the hearing. As provided in 46-23-506(2)(d), petitions for relief from registration under this part must be filed in the appropriate Montana district court. Orders or other documents granting relief from registration requirements that originated in other jurisdictions are not valid in Montana."
