BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Definitions. For the purposes of [sections 1 through 6], unless otherwise provided, the following definitions apply:

- (1) "Department" means the department of military affairs established in 2-15-1201.
- (2) "Local government firefighting authority" means a governmental fire agency organized under Title 7, chapter 33.

Section 2. Firefighting training facility infrastructure account -- use. (1) There is a firefighting training facility infrastructure account within the state special revenue fund provided for in 17-2-102 to provide grant funding to local government firefighting authorities that provide firefighting services and for administrative costs related to administering the grants. The department shall administer the account.

- (2) Up to 3% of the funds appropriated in [section 8] may be allocated for the department's administrative costs.

Section 3. Firefighting training facility infrastructure grants authorization. (1) The department is authorized to make up to \$5 million in grants to local government firefighting authorities for property acquisition,

construction, space acquisition, remodeling, repairs, and the purchase of appliances and equipment. The grants authorized in this section are subject to the conditions set forth in [section 5].

(2) The department shall receive proposals from local government firefighting authorities for firefighting training facility infrastructure projects.

(3) Funding for projects may be provided only as long as there are sufficient funds available from the amount that was deposited or transferred in the firefighting training facility infrastructure account for grants established in [section 2]. Funding for these projects must be made available in the order that the grant recipients satisfy the conditions described in [section 5].

Section 4. Eligibility -- submission deadline -- priority -- guidelines. (1) A local government firefighting authority may apply to the department for firefighting training facility infrastructure grants under [section 3].

(2) Local government firefighting authorities shall submit grant applications to the department in order to be eligible for funding under [section 3].

(3) The department is authorized to adopt guidelines necessary to implement [sections 3 through 5].

Section 5. Condition of grants -- disbursement of funds. (1) The disbursement of grant funds for the projects chosen by the department pursuant to [section 3] is subject to the following conditions:

(a) ~~for grants in an amount of \$25,000 or more, the department may require a grant recipient to provide a 1% match in cash or donated services to be eligible to receive a grant~~ the grant recipient shall document the availability of matching funds at least \$1 in value for each \$1 of the grant;

(b) the grant recipient shall execute a grant agreement with the department that includes a project management plan and reporting requirements to track the outcomes of allocated grants; and

(c) the grant recipient shall satisfy other specific requirements considered necessary by the department to accomplish the purpose of the project as evidenced by the application to the department.

(2) Projects must adhere to the design standards required by applicable regulations. Recipients of program funds for projects that are not subject to any design standards shall comply with generally accepted

industry standards.

(3) If actual project expenses are lower than the projected expense of the project, the department shall reduce the amount of grant funds to be provided to grant recipients.

Section 6. Maximum state funding available -- for each project -- for each county. (1) The amount of state funding allocated to entities within an individual county under [sections 3 through 5] may not exceed \$500,000. No more than two applications may be funded in any one county.

(2) The amount of a grant to a single project may not exceed \$250,000.

Section 7. Transfer of funds. By July 1, 2025, the state treasurer shall transfer \$5 million from the ~~general fund capital developments long-range building program account established in 17-7-209~~ to the firefighting training facility infrastructure account established in [section 2].

Section 8. Appropriation. There is appropriated \$5 million from the firefighting training facility infrastructure account established in [section 2] to the department of military affairs for the biennium beginning July 1, 2025, for grants authorized in [sections 3 through 5]. Appropriations are authorized to continue through the biennium beginning July 1, 2029.

Section 9. Effective date. [This act] is effective ~~June 30, 2025~~.

Section 10. Termination. [This act] terminates June 30, 2031.
