BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Definitions. As used in [sections 1 through 6] and 15-6-134, the following definitions apply:

- (1) "Homestead reduced tax rate" means the tax rate provided for in 15-6-134(3)(b)(i).
- (2) "Long-term rental" means class four residential property:
 - (a) that is a single-family dwelling unit, unit of a multiple-unit dwelling, trailer, manufactured home, or mobile home and the parcel on which the long-term rental improvements are located but not including any contiguous or adjacent parcels;
 - (b) that an owner can demonstrate was:
 - (i) rented for periods of 28 days or more for at least 7 months in each tax year for which the rental

property reduced tax rate is claimed; or

(ii) vacant for not more than 5 months to complete documented property repairs;

(c) that is occupied by tenants who use the dwelling as a residence during the year in which the reduced tax rate is claimed; and

(d) for which the owner is current on payment of the assessed Montana property taxes when claiming the reduced tax rate.

(3) "Owner" includes a purchaser under contract for deed as defined in 70-20-115, a grantor of a trust indenture as defined in 71-1-303, and the trustee of a grantor trust that is revocable as defined in 72-38-103.

(4) (a) "Principal residence" means class four residential property:

(i) that is a single-family dwelling unit, unit of a multiple-unit dwelling, trailer, manufactured home, or mobile home and the parcel on which the principal residence improvements are located but not including any contiguous or adjacent parcels;

(ii) in which an owner can demonstrate the owner owned and lived for at least 7 months of the year for which the homestead reduced tax rate for a principal residence is claimed;

(iii) that is the only residence for which the owner claims the homestead reduced tax rate for that year; and

(iv) for which the owner made payment of the assessed Montana property taxes.

(b) An owner who cannot meet the requirements of subsection (4)(a)(ii) because the owner's principal residence changed during the tax year to another principal residence may still qualify for the homestead reduced tax rate if the owner paid the Montana property taxes while residing in each principal residence for a total of at least 7 consecutive months for each tax year.

(5) "Rental property reduced tax rate" means the tax rate provided for in 15-6-134(3)(b).

(6) "Tax year 2026" means the period from January 1, 2026, through December 31, 2026.

Section 2. Homestead reduced tax rate -- application -- limitations. (1) There is a homestead reduced tax rate provided for in 15-6-134(3)(b)(i) for a principal residence as provided in this section.

(2) (a) Beginning in tax year 2026, the owner of a principal residence may apply to the department

to receive the homestead reduced tax rate. The owner of a principal residence who applied for and received the rebate provided for in [sections 9 through 11] for tax year 2024 automatically qualifies for the homestead reduced tax rate unless subsections (2)(c)(i) through (2)(c)(iii) apply to the principal residence for which the rebate was claimed. The owner of a principal residence who did not receive a rebate under [sections 9 through 11], shall apply as provided in this section to receive the homestead reduced tax rate in tax year 2026.

(b) To receive the homestead reduced tax rate for the tax year in which the application is first made, the owner shall apply electronically through the department's website or by mail on a form prescribed by the department between December 1 of the immediately preceding year and March 1. Applications submitted by mail must be postmarked by March 1. Approved applications received electronically or postmarked after March 1 apply to the following tax year.

(c) Once approved, the homestead reduced tax rate remains effective until the end of the tax year in which any of the following events occur:

- (i) there is a change in ownership of the property;
- (ii) the owner no longer uses the dwelling as a principal residence; or
- (iii) the owner applies for a homestead reduced tax rate for a different principal residence.

(d) If a homestead reduced tax rate is terminated pursuant to subsection (2)(c) or [section 4], any remaining property taxes due for the year in which the homestead reduced tax rate is terminated must be based on the tax rate in effect on January 1 of the year in which the homestead reduced tax rate was terminated.

(e) An application for a homestead reduced tax rate must be submitted on a form prescribed by the department and must contain:

(i) a written declaration made under penalty of perjury that the applicant owns and maintains the land and improvements as the principal residence as defined in [section 1]. The application must state the penalty provided for in [section 4].

(ii) the geocode or other property identifier of the principal residence for which the applicant is requesting the homestead reduced tax rate;

(iii) the social security number of the applicant; and

(iv) any other information required by the department that is relevant to the applicant's eligibility.

(3) (a) Except as provided in subsection (3)(b), class four residential property owned by an entity is not eligible to receive the homestead reduced tax rate.

(b) The trustee of a grantor revocable trust may apply for a homestead reduced tax rate for a principal residence on behalf of the trust if the dwelling meets the definition of a principal residence for the grantor.

(c) Class four residential property located on fee land within the exterior boundaries of an Indian reservation within this state is automatically eligible for the homestead reduced tax rate provided for in this section and is not required to submit an application pursuant to subsection (2).

(4) The department shall notify the owner if the homestead reduced tax rate is applied to the property or if the application was denied.

Section 3. Rental property reduced tax rate -- application -- limitations. (1) There is a rental property reduced tax rate provided for in 15-6-134(3)(b) for a long-term rental as provided in this section.

(2) (a) Beginning in tax year 2026, the owner of a long-term rental may apply to the department to receive the rental property reduced tax rate. The application must be made by an individual owner or, for an entity owner, by an authorized representative of the entity.

(b) The department shall mail a notice to potential claimants by October 30, 2025, for tax year 2026. Receipt of a notice does not establish that a taxpayer or property owner is eligible to receive the rental property reduced tax rate, and a taxpayer who does not receive a notice may still be eligible to claim the rental property reduced tax rate. All taxpayers, regardless of the receipt of notice, shall apply for a reduced rate as provided in this subsection (2).

(c) To receive the rental property reduced tax rate for the tax year in which the application is first made, the owner or authorized representative shall apply electronically or by mail on a form prescribed by the department between December 1 of the immediately preceding year and March 1. Applications received electronically or postmarked after March 1 apply to the following tax year.

(d) Once approved, the rental property reduced tax rate remains effective until the end of the tax year in which any of the following events occur:

(i) there is a change in ownership of the property;

- (ii) the property is no longer rented to tenants as a dwelling;
 - (iii) the terms of the lease change and the property no longer qualifies as a long-term rental as defined in [section 1]; or
 - (iv) the owner fails to submit a ~~complete~~-reapplication to the department as required in subsection (4).
- ~~(d)~~(e) If a rental property reduced tax rate is terminated pursuant to subsection (2)(d) or [section 4], any remaining property taxes due for the year in which the rental property reduced tax rate is terminated must be based on the tax rate in effect on January 1 of the year in which the rental property reduced tax rate was terminated.
- (3) An application for a rental property reduced tax rate must be submitted on a form prescribed by the department and must contain:
- (a) a written declaration made under penalty of perjury that the applicant owns and maintains the land and improvements as a long-term rental as defined in [section 1]. The application must state the penalty provided for in [section 4].
 - (b) the geocode or other property identifier for the long-term rental for which the applicant is requesting the rental property reduced tax rate;
 - (c) the social security number or taxpayer identification number of the applicant;
 - (d) the income and expense information for the long-term rental for the immediately preceding year, including the amount of rent charged each month; and
 - (e) any other information required by the department that is relevant to the applicant's eligibility.
- (4) To continue receiving the rental property reduced tax rate, the owner of a qualifying long-term rental shall reapply as required by the department. Beginning in 2028, the department shall require reapplication of 20% of long-term rentals each year.
- (5) Periods of short-term vacancy not exceeding ~~3~~ 5 months in a 12-month period do not disqualify a long-term rental from receiving the rental property reduced tax rate.
- (6) The department shall notify the owner if the rental property reduced tax rate is applied to the property or if the application was denied.

Section 4. Homestead and rental property reduced tax rates -- improper approval -- penalty for false or fraudulent application. (1) Except as provided in subsection (2), if the department determines that an application for a homestead reduced tax rate or a rental property reduced tax rate was improperly approved or that the property no longer qualifies for the reduced rate, the department shall revise the assessment for each year the homestead reduced tax rate or the rental property reduced tax rate was improperly granted subject to the assessment revision procedure established in 15-8-601.

(2) (a) A person who files a false or fraudulent application for a homestead reduced tax rate provided for in [section 2 ~~or~~ 3] or for a rental property reduced tax rate provided for in [section 4 3] is subject to criminal prosecution under the provisions of 45-7-202.

(3) (a) If a person is determined to have filed a false or fraudulent application, the department shall revise the assessment of the property subject to the assessment revision procedure established in this section and 15-8-601 and assess a penalty as provided in this subsection (3). The penalty is equal to three times the base penalty amount calculated under subsection (3)(b) plus interest at the rate provided in 15-16-102 calculated from the original due date of the taxes, until paid.

(b) The base penalty amount is equal to the property tax due for each year the homestead reduced tax rate or the rental property reduced tax rate was improperly received, determined using the tax rate provided for in 15-6-134(3)(a), the appraised value, and the mill levies in effect for the year, less the actual property taxes paid in the year.

(c) The revised assessment and penalty must be assessed against a person who filed a false or fraudulent application even if the person no longer owns the property.

(4) If the person who filed a false or fraudulent application no longer owns the property associated with the false or fraudulent application, the penalty plus interest provided for in subsection (3) may be recovered as any other tax owed the state. If the penalty plus interest becomes due and owing, the department may issue a warrant for distraint as provided in Title 15, chapter 1, part 7.

(5) Except as provided in subsection (4), if the department determines that a false or fraudulent application was made, the department shall send the revised assessment with the additional penalty amount as determined under subsection (3) to the county treasurer in the county where the property is located.

(6) The county treasurer shall distribute property taxes, penalty, and interest collected under this

section proportionally to the affected taxing jurisdictions.

(7) A revised assessment made under this section must be made within 10 years after the end of the calendar year in which the original application was made.

Section 5. Appeal of denial of reduced tax rate. (1) (a) If the department denies an application for a homestead reduced tax rate or a rental property reduced tax rate, the owner may request an informal review of the denial by submitting an objection on written or electronic forms provided by the department for that purpose in a manner prescribed by the department. The objection must be made no later than 30 days after the date of the denial notification sent pursuant to [section 2-(4) or 3(6)].

(b) The property owner may request that the department consider extenuating circumstances to grant an application for the homestead reduced tax rate or the rental property reduced tax rate. Extenuating circumstances include but are not limited to extraordinary, unusual, or infrequent events that are material in nature and of a character different from the typical or customary, and that are not expected to recur.

(c) After the informal review, the department shall determine the correct status of the homestead reduced tax rate or the rental property reduced tax rate and notify the taxpayer of its determination by mail or electronically. In the notification, the department shall state its reasons for accepting or denying the application.

(2) If a property owner is aggrieved by the determination made by the department after the review provided for in subsection (1), the property owner has the right to first appeal to the county tax appeal board and then to the Montana tax appeal board, whose findings are final subject to the right of review in the courts. An appeal to the county tax appeal board, pursuant to 15-15-102, must be filed within 30 days from the date on the notice of the department's determination. If the county tax appeal board or the Montana tax appeal board determines that the homestead reduced tax rate or the rental property reduced tax rate should apply, the department shall adjust the taxable value of the property in accordance with the board's order.

Section 6. Rulemaking authority. The department shall adopt rules that are necessary to implement and administer [sections 1 through 6].

Section 7. Legislative findings -- local government charters and fixed mill levy limits

superseded -- definition. (1) (a) The legislature finds that most local governments set mill levies that adjust downward when taxable value increases under 15-10-420. This floating mill levy concept automatically lowers the number of mills levied against a taxpayer when property values increase, which mitigates increases in property values. However, when mill levies are fixed, the opposite occurs when property values increase, and property taxes are not automatically mitigated for taxpayers that are levied based on a fixed mill levy.

(b) The legislature finds further that it is prohibited under Article VIII, section 2, of the Montana constitution, from suspending or contracting away the power to tax. The legislature also recognizes and respects the power of local governments under Article XI, section 5, of the Montana constitution to adopt, amend, revise, or abandon a charter.

(2) As a matter of policy, the legislature intends to supersede local government charters that fix mill levy limits for the limited purpose of exercising the power to tax while also maintaining local government revenue sources without raising taxes on residential taxpayers. Having considered all options on a statewide basis, the legislature finds the statutory structure of the property tax has evolved significantly since the passage of Initiative Measure No. 105 on November 4, 1986, and the enactment of 15-10-420 by the legislature in 1999. Given the significant change in the structure of the property tax and the rising cost of residential property in the last 5 years, there is a compelling interest to all the citizens of the state to lower residential property tax rates for primary residences, which can only be accomplished by this section and 15-10-420.

(3) A local government with a charter form of government that includes a mill levy limit of a specific number of mills that may be imposed in the charter shall levy the number of mills in fiscal year 2026 and subsequent tax years that will generate the amount of property taxes assessed in fiscal year 2025, without amending or revising the charter. In fiscal years after 2026, the local government shall levy the number of mills levied in fiscal year 2026.

(4) A taxing entity with a local mill levy limit of a specific number of mills that may be imposed for public safety that was authorized by the voters before [the effective date of this section] may:

(a) elect to transition a voted mill public safety levy to a dollar-based mill levy equal to the amount of property taxes assessed in fiscal year 2025 and thereafter subject to the provisions of 15-10-420(1)(a); or

(b) levy the number of mills in fiscal year 2026 that will generate the amount of property taxes assessed in fiscal year 2025. In fiscal years after 2026, the local government shall levy the number of mills

levied in fiscal year 2026.

- (5) As used in this section, "public safety" means police, fire, and emergency medical services.

Section 8. Reimbursement for loss of revenue from certain fixed mill levies -- definition. (1) The department shall reimburse each taxing entity as provided in this section for the revenue loss resulting from the tax rate reductions in 15-6-134 as amended by [this act] for the following levies:

(a) levies of a local government with a charter form of government that includes a mill levy limit of a specific number of mills that may be imposed in the charter; and

(b) levies stated as a specific mill levy authorized by voters for public safety before [the effective date of this act].

(2) (a) For fiscal year 2026, the reimbursement must be equal to the difference between the property tax revenue collected from the levies provided for in subsection (1) and the property tax revenue collected in fiscal year 2025. After fiscal year 2026, the reimbursement must be equal to the difference between the property tax revenue collected from the levies provided for in subsection (1) and the property tax revenue that would be collected in the current fiscal year using the mill levy that would raise the fiscal year 2025 tax revenue using the fiscal year 2026 taxable value.

(b) A reimbursement pursuant to this section must include any fines, penalties, or damages resulting from a judgment levy against the taxing entity in levying property taxes in accordance with [section 7].

(3) A taxing entity eligible to receive a reimbursement under this section shall report the loss in revenue from the tax rate reductions in 15-6-134 as amended by [this act] and any amount reimbursable under subsection (2)(b) to the department of revenue.

(4) A reimbursement provided for in this section may only be made for 4 years after [the effective date of this section].

(5) The department shall distribute the reimbursements with the entitlement share payments under 15-1-121(7).

- (6) As used in this section, "public safety" means police, fire, and emergency medical services.

Section 9. Definitions. As used in [sections 9 through 11], the following definitions apply:

(1) "Montana property taxes" means the ad valorem property taxes, special assessments, and other fees imposed on property classified under 15-6-134 that is a single-family dwelling unit, unit of a multiple-unit dwelling, trailer, manufactured home, or mobile home and as much of the surrounding land, not exceeding 1 acre, as is reasonably necessary for its use as a dwelling and that were assessed and paid by the taxpayer for tax year 2024. The amount of Montana property taxes assessed and paid is equal to the total amount billed by the local government for the dwelling as shown on the 2024 property tax bill received by the taxpayer with a first-half payment due in or around November 2024 and a second-half payment due in or around May 2025.

(2) "Owned" includes purchasing under a contract for deed and being the grantor or grantors under a revocable trust indenture.

(3) (a) "Principal residence" means, subject to the provisions of subsection (3)(b), a dwelling:

(i) in which an owner can demonstrate the owner owned and lived for at least 7 months of the year for which the property tax rebate is claimed;

(ii) that is the only residence for which the taxpayer claims the property tax rebate; and

(iii) for which the taxpayer made payment of the assessed Montana property taxes during tax year 2024.

(b) A taxpayer who cannot meet the requirements of subsection (3)(a)(i) because the owner's principal residence changed during the tax year to another principal residence may still claim the property tax rebate if the taxpayer paid the Montana property taxes while residing in each principal residence for a total of at least 7 consecutive months for the 2024 tax year.

(4) "Tax year 2024" means the period January 1, 2024, through December 31, 2024.

Section 10. Property tax rebate -- manner of claiming -- limitations -- appeals. (1) Subject to the conditions provided for in [sections 9 through 11], there is a rebate of Montana property taxes in the amount of \$400 or the amount of total property taxes paid, whichever is less, for tax year 2024.

(2) The rebate provided for in subsection (1) is for Montana property taxes assessed to and paid by a taxpayer or taxpayers on property they owned and occupied as a principal residence during tax year 2024.

(3) The department shall mail a notice to potential claimants by June 30, 2025, for tax year 2024. Receipt of a notice does not establish that a taxpayer or property owner is eligible for a rebate, and a taxpayer

who does not receive a notice may still be eligible to claim a rebate. All taxpayers, regardless of the receipt of notice, shall claim a rebate as provided in subsection (5).

(4) Except as provided in subsections (5)(c) and (5)(d), a single-family dwelling unit, unit of a multiple-unit dwelling, trailer, manufactured home, or mobile home and as much of the surrounding land, not exceeding 1 acre that is owned by an entity is not eligible to claim the rebate.

(5) (a) (i) All claims for this property tax rebate must be submitted to the department electronically or by mail.

(ii) Electronic claims must be submitted between August 15, 2025, and October 1, 2025, through the department's website.

(iii) Claims submitted by mail must be made on a form prescribed by the department and postmarked by October 1.

(iv) The department may grant an extension of time if the claimant establishes good cause for missing the October 1 deadline. The department's authority to consider an application terminates on December 1, 2025, and any applications or requests for extension received after that date may not be processed.

(b) Subject to subsections (5)(c) and (5)(d), a claim for rebate must be submitted, under penalty of false swearing and the penalties provided in [section 11], on a form prescribed by the department and must contain:

(i) an affirmation that the claimant owns and maintains the land and improvements as the principal residence as defined in [section 9];

(ii) the geocode or other property identifier for the principal residence that the claimant is requesting the rebate on;

(iii) the social security number of the claimant and the claimant's spouse; and

(iv) any other information as required by the department that is relevant to the claimant's eligibility.

(c) The personal representative of the estate of a deceased taxpayer may execute and file the claim for rebate on behalf of a deceased taxpayer who qualifies for the rebate.

(d) The trustee of a grantor revocable trust may file a claim on behalf of the trust if the dwelling meets the definition of a principal residence for the grantor.

(6) Only one rebate will be issued to a taxpayer for the Montana property taxes paid by the

taxpayer for tax year 2024.

(7) If a debt is due and owing to the state, the department may offset the rebate in this section as provided in sections 15-30-2629, 15-30-2630, 17-4-105, or as otherwise provided by law.

(8) If a property tax rebate is denied by the department, the claimant is entitled to a written explanation why the application was denied. A claimant may make a written appeal of a denial to a management level employee of the department, who shall issue a final decision that is not appealable. Appeals occurring under this subsection (8) are not subject to the provisions contained in 15-1-211.

Section 11. Property tax rebate -- penalty for false or fraudulent claim. (1) Except as provided in subsection (2), if the department discovers that a rebate paid to a taxpayer exceeded the amount allowed by [sections 9 through 11], the department may, within 1 year from the date the rebate was transmitted to the taxpayer, assess the taxpayer for the difference. The assessment is subject to the uniform dispute review procedure established in 15-1-211.

(2) A person who files a false or fraudulent claim for a property tax rebate under [sections 9 through 11] is subject to criminal prosecution under the provisions of 45-7-202. If a false or fraudulent claim has been paid by the department, the amount paid may be recovered as any other tax owed the state, together with a penalty of 300% of the rebate claimed and interest on the amount of the rebate claimed plus penalty at the rate of 12% a year, until paid. If this rebate plus penalty becomes due and owing, the department may issue a warrant for distraint as provided in Title 15, chapter 1, part 7.

Section 12. Section 15-1-121, MCA, is amended to read:

"15-1-121. Entitlement share payment -- purpose -- appropriation. (1) As described in 15-1-120(3), each local government is entitled to an annual amount that is the replacement for revenue received by local governments for diminishment of property tax base and various earmarked fees and other revenue that, pursuant to Chapter 574, Laws of 2001, amended by section 4, Chapter 13, Special Laws of August 2002, and later enactments, were consolidated to provide aggregation of certain reimbursements, fees, tax collections, and other revenue in the state treasury with each local government's share. The reimbursement under this section is provided by direct payment from the state treasury rather than the ad hoc system that offset certain

state payments with local government collections due the state and reimbursements made by percentage splits, with a local government remitting a portion of collections to the state, retaining a portion, and in some cases sending a portion to other local governments.

(2) The sources of dedicated revenue that were relinquished by local governments in exchange for an entitlement share of the state general fund were:

(a) personal property tax reimbursements pursuant to sections 167(1) through (5) and 169(6), Chapter 584, Laws of 1999;

(b) vehicle, boat, and aircraft taxes and fees pursuant to:

(i) Title 23, chapter 2, part 5;

(ii) Title 23, chapter 2, part 6;

(iii) Title 23, chapter 2, part 8;

(iv) 61-3-317;

(v) 61-3-321;

(vi) Title 61, chapter 3, part 5, except for 61-3-509(3), as that subsection read prior to the amendment of 61-3-509 in 2001;

(vii) Title 61, chapter 3, part 7;

(viii) 5% of the fees collected under 61-10-122;

(ix) 61-10-130;

(x) 61-10-148; and

(xi) 67-3-205;

(c) gaming revenue pursuant to Title 23, chapter 5, part 6, except for the permit fee in 23-5-612(2)(a);

(d) district court fees pursuant to:

(i) 25-1-201, except those fees in 25-1-201(1)(d), (1)(g), and (1)(j);

(ii) 25-1-202;

(iii) 25-9-506; and

(iv) 27-9-103;

(e) certificate of title fees for manufactured homes pursuant to 15-1-116;

- (f) financial institution taxes collected pursuant to the former provisions of Title 15, chapter 31, part 7;
- (g) all beer, liquor, and wine taxes pursuant to:
 - (i) 16-1-404;
 - (ii) 16-1-406; and
 - (iii) 16-1-411;
- (h) late filing fees pursuant to 61-3-220;
- (i) title and registration fees pursuant to 61-3-203;
- (j) veterans' cemetery license plate fees pursuant to 61-3-459;
- (k) county personalized license plate fees pursuant to 61-3-406;
- (l) special mobile equipment fees pursuant to 61-3-431;
- (m) single movement permit fees pursuant to 61-4-310;
- (n) state aeronautics fees pursuant to 67-3-101; and
- (o) department of natural resources and conservation payments in lieu of taxes pursuant to former Title 77, chapter 1, part 5.

(3) Except as provided in subsection (7)(b), the total amount received by each local government in the prior fiscal year as an entitlement share payment under this section is the base component for the subsequent fiscal year distribution, and in each subsequent year the prior year entitlement share payment, including any reimbursement payments received pursuant to subsection (7), is each local government's base component. The sum of all local governments' base components is the fiscal year entitlement share pool.

(4) (a) Except as provided in subsections (4)(b)(iv) and (7)(b), the base entitlement share pool must be increased annually by an entitlement share growth rate as provided for in this subsection (4). The amount determined through the application of annual growth rates is the entitlement share pool for each fiscal year.

(b) By October 1 of each year, the department shall calculate the growth rate of the entitlement share pool for the next fiscal year in the following manner:

(i) The department shall calculate the entitlement share growth rate based on the ratio of two factors of state revenue sources for the first, second, and third most recently completed fiscal years as

recorded on the statewide accounting, budgeting, and human resource system. The first factor is the sum of the revenue for the first and second previous completed fiscal years received from the sources referred to in subsections (2)(b), (2)(c), and (2)(g) divided by the sum of the revenue for the second and third previous completed fiscal years received from the same sources multiplied by 0.75. The second factor is the sum of the revenue for the first and second previous completed fiscal years received from individual income tax as provided in Title 15, chapter 30, and corporate income tax as provided in Title 15, chapter 31, divided by the sum of the revenue for the second and third previous completed fiscal years received from the same sources multiplied by 0.25.

(ii) Except as provided in subsections (4)(b)(iii) and (4)(b)(iv), the entitlement share growth rate is the lesser of:

(A) the sum of the first factor plus the second factor; or

(B) 1.03 for counties, 1.0325 for consolidated local governments, and 1.035 for cities and towns.

(iii) In no instance can the entitlement growth factor be less than 1. Subject to subsection (4)(b)(iv), the entitlement share growth rate is applied to the most recently completed fiscal year entitlement payment to determine the subsequent fiscal year payment.

(iv) The entitlement share growth rate, as described in this subsection (4), is:

(A) for fiscal year 2018, 1.005;

(B) for fiscal year 2019, 1.0187;

(C) for fiscal year 2020 and thereafter, determined as provided in subsection (4)(b)(ii). The rate must be applied to the entitlement payment for the previous fiscal year as if the payment had been calculated using entitlement share growth rates for fiscal years 2018 and 2019 as provided in subsection (4)(b)(ii).

(5) As used in this section, "local government" means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (8). The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government's share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district's loss of revenue sources for which reimbursement is provided in this section. The allocation for each special district that existed in 2002 must be based on the relative proportion of the loss of revenue in

2002.

(6) (a) The entitlement share pools calculated in this section, the amounts distributed under 15-1-123(4) for local governments, the funding provided for in subsection (8) of this section, and the amounts distributed under 15-1-123(5) for tax increment financing districts are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments.

(b) (i) The growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. The growth factor in the entitlement share must be calculated separately for:

- (A) counties;
- (B) consolidated local governments; and
- (C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county's percentage of the prior fiscal year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county's population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government's percentage of the prior fiscal year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government's population bears to the state's total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as

follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city's or town's percentage of the prior fiscal year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city's or town's population bears to the state's total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool before the growth amount or adjustments made under subsection (7) are applied is to be distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

(7) (a) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the department shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to the entitlement share distribution under this section. The total entitlement share distributions in a fiscal year, including distributions made pursuant to this subsection, equal the local fiscal year entitlement share pool. The ratio of each local government's distribution from the entitlement share pool must be recomputed to determine each local government's ratio to be used in the subsequent year's distribution determination under subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A).

(b) For fiscal year 2018 and thereafter, the growth rate provided for in subsection (4) does not apply to the portion of the entitlement share pool attributable to the reimbursement provided for in 15-1-123(1) and (2). The department shall calculate the portion of the entitlement share pool attributable to the reimbursement in 15-1-123(1) and (2), including the application of the growth rate in previous fiscal years, for counties, consolidated local governments, and cities and, for fiscal year 2018 and thereafter, apply the growth rate for that portion of the entitlement share pool as provided in 15-1-123(3).

(c) The growth amount resulting from the application of the growth rate in 15-1-123(3) must be allocated as provided in subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A) of this section.

(d) The growth rate provided for in subsection (4) does not apply to the portion of the entitlement share pool attributable to the reimbursement provided for in [section 8].

(8) (a) Except for a tax increment financing district entitled to a reimbursement under 15-1-123(5),

if a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any funding. If a tax increment financing district referred to in subsection (8)(b) terminates, then the funding for the district provided for in subsection (8)(b) terminates.

(b) One-half of the payments provided for in this subsection (8)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection (8)(a), the entitlement share for tax increment financing districts is as follows:

<u>Flathead</u>	Kalispell - District 2	\$4,638
Flathead	Kalispell - District 3	37,231
Flathead	Whitefish District	148,194
Gallatin	Bozeman - downtown	31,158
Missoula	Missoula - 1-1C	225,251
Missoula	Missoula - 4-1C	30,009

(9) The estimated fiscal year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from tax increment financing districts.

(10) When there has been an underpayment of a local government's share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. When there has been an overpayment of a local government's entitlement share, the local government shall remit the overpaid amount to the department.

(11) A local government may appeal the department's estimation of the base component, the entitlement share growth rate, or a local government's allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211.

(12) (a) Except as provided in 2-7-517, a payment required pursuant to this section may not be offset by a debt owed to a state agency by a local government in accordance with Title 17, chapter 4, part 1.

(b) A payment required pursuant to this section must be withheld if a local government:

(i) fails to meet a deadline established in 2-7-503(1), 7-6-611(2), 7-6-4024(3), or 7-6-4036(1); and
(ii) fails to remit any amounts collected on behalf of the state as required by 15-1-504 or as otherwise required by law within 45 days of the end of a month.

(c) A payment required pursuant to this section may be withheld if, for more than 90 days, a local

government fails to:

- (i) file a financial report required by 15-1-504;
- (ii) remit any amounts collected on behalf of the state as required by 15-1-504; or
- (iii) remit any other amounts owed to the state or another taxing jurisdiction."

Section 15. Section 15-7-102, MCA, is amended to read:

"15-7-102. Notice of classification, market value, and taxable value to owners -- appeals. (1) (a)

Except as provided in 15-7-138, the department shall mail or provide electronically to each owner or purchaser under contract for deed a notice that includes the land classification, market value, and taxable value of the land and improvements owned or being purchased. A notice must be mailed or, with property owner consent, provided electronically to the owner only if one or more of the following changes pertaining to the land or improvements have been made since the last notice:

- (i) change in ownership;
- (ii) change in classification;
- (iii) change in valuation; or
- (iv) addition or subtraction of personal property affixed to the land.

(b) The notice must include the following for the taxpayer's informational and informal classification and appraisal review purposes:

(i) a notice of the availability of all the property tax assistance programs available to property taxpayers, including the intangible land value assistance program provided for in 15-6-240, the property tax assistance programs provided for in Title 15, chapter 6, part 3, the homestead reduced tax rate provided for in [section 2], the rental property reduced tax rate provided for in [section 3], and the residential property tax credit for the elderly provided for in 15-30-2337 through 15-30-2341;

(ii) the total amount of mills levied against the property in the prior year;

(iii) the market value for the prior reappraisal cycle;

(iv) if the market value has increased by more than 10%, an explanation for the increase in valuation;

(v) a statement that the notice is not a tax bill; and

(vi) a taxpayer option to request an informal classification and appraisal review by checking a box on the notice and returning it to the department.

(c) When the department uses an appraisal method that values land and improvements as a unit, including the sales comparison approach for residential condominiums or the income approach for commercial

property, the notice must contain a combined appraised value of land and improvements.

(d) Any misinformation provided in the information required by subsection (1)(b) does not affect the validity of the notice and may not be used as a basis for a challenge of the legality of the notice.

(2) (a) Except as provided in subsection (2)(c), the department shall assign each classification and appraisal to the correct owner or purchaser under contract for deed and mail or provide electronically the notice in written or electronic form, adopted by the department, containing sufficient information in a comprehensible manner designed to fully inform the taxpayer as to the classification and appraisal of the property and of changes over the prior tax year.

(b) The notice must advise the taxpayer that in order to be eligible for a refund of taxes from an appeal of the classification or appraisal, the taxpayer is required to pay the taxes under protest as provided in 15-1-402.

(c) The department is not required to mail or provide electronically the notice to a new owner or purchaser under contract for deed unless the department has received the realty transfer certificate from the clerk and recorder as provided in 15-7-304 and has processed the certificate before the notices required by subsection (2)(a) are mailed or provided electronically. The department shall notify the county tax appeal board of the date of the mailing or the date when the taxpayer is informed the information is available electronically.

(3) (a) If the owner of any land and improvements is dissatisfied with the appraisal as it reflects the market value of the property as determined by the department or with the classification of the land or improvements, the owner may request an informal classification and appraisal review by submitting an objection on written or electronic forms provided by the department for that purpose or by checking a box on the notice and returning it to the department in a manner prescribed by the department.

(i) For property other than class three property described in 15-6-133, class four property described in 15-6-134, class ten property described in 15-6-143, and centrally assessed property described in 15-23-101, the objection must be submitted within 30 days from the date on the notice.

(ii) For class three property described in 15-6-133, class four property described in 15-6-134, and class ten property described in 15-6-143, the objection may be made only once each valuation cycle. An objection must be made in writing or by checking a box on the notice within 30 days from the date on the classification and appraisal notice for a reduction in the appraised value to be considered for both years of the

2-year valuation cycle. An objection made more than 30 days from the date of the classification and appraisal notice will be applicable only for the second year of the 2-year valuation cycle. For an objection to apply to the second year of the valuation cycle, the taxpayer shall make the objection in writing or by checking a box on the notice no later than June 1 of the second year of the valuation cycle or, if a classification and appraisal notice is received in the second year of the valuation cycle, within 30 days from the date on the notice.

(iii) For centrally assessed property described in 15-23-101(2)(a), the objection must be submitted within 20 days from the date on the notice. A taxpayer may submit an objection up to 10 days after this deadline on request to the department.

(iv) (A) For centrally assessed property described in 15-23-101(2)(b) and (2)(c), an objection to the valuation or classification may be made only once each valuation cycle. An objection must be made in writing within the time period specified in subsection (3)(a)(iii) for a reduction in the appraised value to be considered for both years of the 2-year valuation cycle. An objection made after the deadline specified in subsection (3)(a)(iii) will be applicable only for the second year of the 2-year valuation cycle. For an objection to apply to the second year of the valuation cycle, the taxpayer shall make the objection in writing no later than June 1 of the second year of the valuation cycle or, if a classification and appraisal notice is received in the second year of the valuation cycle, within the time period specified in subsection (3)(a)(iii).

(B) If a property owner has exhausted the right to object to a valuation, as provided for in subsection (3)(a)(iv)(A), the property owner may ask the department to consider extenuating circumstances to adjust the value of property described in 15-23-101(2)(b) or (2)(c). Occurrences that may result in an adjustment to the value include but are not limited to extraordinary, unusual, or infrequent events that are material in nature and of a character different from the typical or customary business operations, that are not expected to recur frequently, and that are not normally considered in the evaluation of the operating results of a business, including bankruptcies, acquisitions, sales of assets, or mergers.

(b) If the objection relates to residential or commercial property and the objector agrees to the confidentiality requirements, the department shall provide to the objector, by posted mail or electronically, within 8 weeks of submission of the objection, the following information:

(i) the methodology and sources of data used by the department in the valuation of the property;
and

(ii) if the department uses a blend of evaluations developed from various sources, the reasons that the methodology was used.

(c) At the request of the objector or a representative of the objector, and only if the objector or representative signs a written or electronic confidentiality agreement, the department shall provide in written or electronic form:

(i) comparable sales data used by the department to value the property;

(ii) sales data used by the department to value residential property in the property taxpayer's market model area; and

(iii) if the cost approach was used by the department to value residential property, the documentation required in 15-8-111(3) regarding why the comparable sales approach was not reliable.

(d) For properties valued using the income approach as one approximation of market value, notice must be provided that the taxpayer will be given a form to acknowledge confidentiality requirements for the receipt of all aggregate model output that the department used in the valuation model for the property.

(e) The review must be conducted informally and is not subject to the contested case procedures of the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual selling price of the property and other relevant information presented by the taxpayer in support of the taxpayer's opinion as to the market value of the property. The department shall consider an independent appraisal provided by the taxpayer if the appraisal meets standards set by the Montana board of real estate appraisers and the appraisal was completed within 6 months of the valuation date pursuant to 15-8-201. If the department does not use the appraisal provided by the taxpayer in conducting the appeal, the department shall provide to the taxpayer the reason for not using the appraisal. The department shall give reasonable notice to the taxpayer of the time and place of the review.

(f) After the review, the department shall determine the correct appraisal and classification of the land or improvements and notify the taxpayer of its determination by mail or electronically. The department may not determine an appraised value that is higher than the value that was the subject of the objection unless the reason for an increase was the result of a physical change in the property or caused by an error in the description of the property or data available for the property that is kept by the department and used for calculating the appraised value. In the notification, the department shall state its reasons for revising the

classification or appraisal. When the proper appraisal and classification have been determined, the land must be classified and the improvements appraised in the manner ordered by the department.

(4) Whether a review as provided in subsection (3) is held or not, the department may not adjust an appraisal or classification upon the taxpayer's objection unless:

(a) the taxpayer has submitted an objection on written or electronic forms provided by the department or by checking a box on the notice; and

(b) the department has provided to the objector by mail or electronically its stated reason in writing for making the adjustment.

(5) A taxpayer's written objection or objection made by checking a box on the notice and supplemental information provided by a taxpayer that elects to check a box on the notice to a classification or appraisal and the department's notification to the taxpayer of its determination and the reason for that determination are public records. The department shall make the records available for inspection during regular office hours.

(6) Except as provided in 15-2-302 and 15-23-102, if a property owner feels aggrieved by the classification or appraisal made by the department after the review provided for in subsection (3), the property owner has the right to first appeal to the county tax appeal board and then to the Montana tax appeal board, whose findings are final subject to the right of review in the courts. The appeal to the county tax appeal board, pursuant to 15-15-102, must be filed within 30 days from the date on the notice of the department's determination. A county tax appeal board or the Montana tax appeal board may consider the actual selling price of the property, independent appraisals of the property, negative property features that differentiate the subject property from the department's comparable sales, and other relevant information presented by the taxpayer as evidence of the market value of the property. If the county tax appeal board or the Montana tax appeal board determines that an adjustment should be made, the department shall adjust the base value of the property in accordance with the board's order."

Section 16. Section 15-15-101, MCA, is amended to read:

"15-15-101. County tax appeal board -- meetings and compensation. (1) The board of county commissioners of each county shall appoint a county tax appeal board, with a minimum of three members and

(2) (a) The members receive compensation as provided in subsection (2)(b) and travel expenses, as provided for in 2-18-501 through 2-18-503, only when the county tax appeal board meets to hear taxpayers' appeals from property tax assessments or when they are attending meetings called by the Montana tax appeal board. Travel expenses and compensation must be paid from the appropriation to the Montana tax appeal board.

(b) (i) The daily compensation for a member is as follows:

(A) \$45 for 4 hours of work or less; and

(4) The county tax appeal board shall hold an organizational meeting each year on the date of its first scheduled hearing, immediately before conducting the business for which the hearing was otherwise scheduled. At the organizational meeting, the members shall choose one member as the presiding officer of the board. The county tax appeal board shall continue in session from July 1 of the current tax year until December 31 of the current tax year to hear protests concerning assessments made by the department until the business of hearing protests is disposed of and may meet after December 31 to hear an appeal at the discretion of the county tax appeal board.

(5) In counties that have appointed more than three members to the county tax appeal board, only three members shall hear each appeal. The presiding officer shall select the three members hearing each appeal.

(6) In connection with an appeal, the county tax appeal board may change any assessment or fix the assessment at some other level and determine eligibility for the homestead reduced tax rate provided for in

[section 2] or the rental property reduced tax rate provided for in [section 3]. Upon notification by the county tax appeal board, the county clerk and recorder shall publish a notice to taxpayers, giving the time the county tax appeal board will be in session to hear scheduled protests concerning assessments and the latest date the county tax appeal board may take applications for the hearings. The notice must be published in a newspaper if any is printed in the county or, if none, then in the manner that the county tax appeal board directs. The notice must be published by May 15 of the current tax year.

(7) Challenges to a department rule governing the assessment of property or to an assessment procedure apply only to the taxpayer bringing the challenge and may not apply to all similarly situated taxpayers unless an action is brought in the district court as provided in 15-1-406."

Section 17. Section 15-15-102, MCA, is amended to read:

"15-15-102. Application for reduction in valuation -- reduced tax rate. (1) The county tax appeal board may not reduce the valuation of property may not be reduced by the county tax appeal board or review eligibility for the homestead reduced tax rate provided for in [section 2] or the rental property reduced tax rate provided for in [section 3] unless either the taxpayer or the taxpayer's agent makes and files a written application ~~for reduction~~ with the county tax appeal board.

(2) The application ~~for reduction~~ may be obtained at the local appraisal office or from the county tax appeal board. The completed application must be submitted to the county clerk and recorder. The date of receipt is the date stamped on the appeal form by the county clerk and recorder upon receipt of the form. The county tax appeal board is responsible for obtaining the applications from the county clerk and recorder.

(3) One application ~~for reduction~~ may be submitted during each valuation cycle. The application must be submitted within the time periods provided for in 15-7-102(3)(a) and [section 5].

(4) A taxpayer who receives an informal review by the department of revenue as provided in 15-7-102(3)(a)(i) and (3)(a)(ii) or [section 5] may appeal the decision of the department of revenue to the county tax appeal board as provided in 15-7-102(6). The taxpayer may not file a subsequent application ~~for reduction~~ for the same property with the county tax appeal board during the same valuation cycle.

(5) If the department's determination after review is not made in time to allow the county tax appeal board to review the matter during the current tax year, the appeal must be reviewed during the next tax year,

but the decision by the county tax appeal board is effective for the year in which the request for review was filed with the department. The application must state the post-office address of the applicant, specifically describe the property involved, and state the facts upon which it is claimed the reduction should be made."

Section 18. Section 15-15-103, MCA, is amended to read:

"15-15-103. Examination of applicant -- failure to hear application. (1) Before the county tax appeal board grants any application or makes any reduction applied for, it shall examine on oath the person or agent making the application with regard to the value of the property of the person or eligibility for the homestead reduced tax rate provided for in [section 2] or the rental property reduced tax rate provided for in [section 3]. A reduction may not be made unless the applicant makes an application, as provided in 15-15-102, and attends the county board hearing. An appeal of the county board's decision may not be made to the Montana tax appeal board unless the person or the person's agent has exhausted the remedies available through the county board. In order to exhaust the remedies, the person or the person's agent shall attend the county board hearing. On written request by the person or the person's agent and on the written concurrence of the department, the county board may waive the requirement that the person or the person's agent attend the hearing. The testimony of all witnesses at the hearing and the deliberation of the county tax appeal board in rendering a decision must be electronically recorded and preserved for 1 year. If the decision of the county board is appealed, the record of the proceedings, including the electronic recording of all testimony and the deliberation of the county tax appeal board, must be forwarded, together with all exhibits, to the Montana board. (2) (a) Except as provided in 15-15-201, if a county board refuses or fails to hear a taxpayer's timely application for a reduction in valuation of property or eligibility for a reduced tax rate, the taxpayer's application is considered to be granted on the day following the county board's final meeting for that year. The department shall enter the appraisal, or classification, or tax rate sought in the application in the property tax record. An application is not automatically granted for the following appeals:

- (i) those listed in 15-2-302(1); and
 - (ii) if a taxpayer's appeal from the department's determination of classification or appraisal made pursuant to 15-7-102 was not received in time, as provided for in 15-15-102, to be considered by the county board during its current session.
- (b) The county board shall provide written notification of each application that was automatically granted pursuant to subsection (2)(a) to the department, the Montana board, and any affected municipal corporation. The notice must include the name of the taxpayer and a description of the subject property.
- (3) The county tax appeal board shall consider an independent appraisal provided by the taxpayer if the appraisal meets standards set by the Montana board of real estate appraisers and the appraisal was conducted within 6 months of the valuation date. If the county tax appeal board does not use the appraisal provided by the taxpayer in conducting the appeal, the county board shall provide to the taxpayer the reason for not using the appraisal."

- (3) The municipality shall, upon request of the county treasurer, provide the information to be included under subsection (2)(a)(iii) ready for mailing.
- (4) The notice in every case must be given as provided in 7-1-2121. Failure to publish or post notices does not relieve the taxpayer from any tax liability. Any failure to give notice of the tax due for the current year or of delinquent tax will not affect the legality of the tax.
- (5) If the department revises an assessment that results in an additional tax of \$5 or less, an additional tax is not owed and a new tax bill does not need to be prepared."

Section 28. Coordination instruction. If Senate Bill No. 542, House Bill No. 863, and [this act] are passed and approved, then the section in House Bill No. 863 that coordinates with [this act] is void.

Section 29. Coordination instruction. If both Senate Bill No. 542 and [this act] are passed and approved, then [sections 1 through 23 and 25 of this act] are void and [section 4 of Senate Bill No. 542] must be amended as follows:

Section 4. Legislative findings -- local government charters and fixed mill levy limits superseded. (1) (a) The legislature finds that most local governments set mill levies that adjust downward when taxable value increases under 15-10-420. This floating mill levy concept automatically lowers the number of mills levied against a taxpayer when property values increase, which mitigates increases in property values. However, when mill levies are fixed, the opposite occurs when property values increase, and property taxes are not automatically mitigated for taxpayers that are levied based on a fixed mill levy.

(b) The legislature finds further that it is prohibited under Article VIII, section 2, of the Montana constitution, from suspending or contracting away the power to tax. The legislature also recognizes and

respects the power of local governments under Article XI, section 5, of the Montana constitution to adopt, amend, revise, or abandon a charter.

(2) As a matter of policy, the legislature intends to supersede local government charters that fix mill levy limits for the limited purpose of exercising the power to tax while also maintaining local government revenue sources without raising taxes on residential taxpayers. Having considered all options on a statewide basis, the legislature finds the statutory structure of the property tax has evolved significantly since the passage of Initiative Measure No. 105 on November 4, 1986, and the enactment of 15-10-420 by the legislature in 1999. Given the significant change in the structure of the property tax and the rising cost of residential property in the last 5 years, there is a compelling interest to all the citizens of the state to lower residential property tax rates for primary residences, which can only be accomplished by this section and 15-10-420.

(3) A local government with a charter form of government that includes a mill levy limit of a specific number of mills that may be imposed in the charter shall levy the number of mills in fiscal year 2026 and subsequent tax years that will generate the amount of property taxes assessed in fiscal year 2025, without amending or revising the charter. In fiscal years after 2026, the local government ~~shall~~may levy an amount not to exceed the number of mills levied in fiscal year 2026.

(4) A taxing entity with a local mill levy limit of a specific number of mills that may be imposed that was authorized by the voters before [the effective date of this section], shall:

(a) elect to transition a voted mill levy to a dollar-based mill levy equal to the amount of property taxes assessed in fiscal year 2025 and thereafter subject to the provisions of 15-10-420(1)(a); or

(b) levy the number of mills in fiscal year 2026 that will generate the amount of property taxes assessed in fiscal year 2025. In fiscal years after 2026, the local government ~~shall~~may levy an amount not to exceed the number of mills levied in fiscal year 2026."

Section 30. Appropriation. (1) There is appropriated \$500,000 from the general fund to the department of revenue for the fiscal year ending June 30, 2025, to implement [this act].
