2 INTRODUCED BY K. BOGNER

3
4 A BILL FOR AN ACT ENTITLED: "AN ACT ADOPTING AN INTERSTATE OCCUPATIONAL THERAPY
5 LICENSURE COMPACT, WHICH INCLUDES RULEMAKING PROVISIONS."

6
7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:
8

9 **NEW SECTION. Section 1. Occupational therapy licensure compact enactment -- provisions.**

10 The Occupational Therapy Licensure Compact is enacted into law and entered into with all jurisdictions legally
11 joining in the compact, in the form substantially as set forth below.

12 SECTION 1. PURPOSE

13 The purpose of this compact is to facilitate interstate practice of occupational therapy with the goal of
14 improving public access to occupational therapy services. The practice of occupational therapy occurs in the
15 state where the patient or client is located at the time of the patient or client encounter with an occupational
16 therapist or occupational therapy assistant. The compact preserves the regulatory authority of states to protect
17 public health and safety through the current system of state licensure.

18 This compact is designed to achieve the following objectives:

- 19 (1) increase public access to occupational therapy services by providing for the mutual recognition
20 of other member state licenses;
- 21 (2) enhance the states' ability to protect the public's health and safety;
- 22 (3) encourage the cooperation of member states in regulating multi-state occupational therapy
23 practice;
- 24 (4) support spouses of relocating military members;
- 25 (5) enhance the exchange of licensure, investigative, and disciplinary information between
26 member states;
- 27 (6) allow a remote state to hold a provider of services with a compact privilege in that state
28 accountable to that state's practice standards; and

1 (7) facilitate the use of telehealth technology in order to increase access to occupational therapy
2 services.

23 board, after an inquiry or investigation that includes notification and an opportunity for the occupational therapist

25 authorized to license and regulate occupational therapists and occupational therapy assistants.

26 (21) "Primary state of residence" means the state or home state in which an occupational therapist
27 or occupational therapy assistant who is not active-duty military declares a primary residence for legal purposes
28 as verified by a driver's license, federal income tax return, lease, deed, mortgage, or voter registration or other

11 therapy services for assessment, intervention, and consultation.

12 SECTION 3. STATE PARTICIPATION IN THE COMPACT

13 (1) To participate in the compact, a member state shall:

14 (a) license occupational therapists and occupational therapy assistants;

15 (b) participate fully in the commission's data system, including but not limited to using the
16 commission's unique identifier as defined in rules of the commission;

17 (c) have a mechanism in place for receiving and investigating complaints about licensees;

18 (d) notify the commission, in compliance with the terms of the compact and rules, of any adverse
19 action or the availability of investigative information regarding a licensee;

20 (e) implement or utilize procedures for considering the criminal history records of applicants for an
21 initial compact privilege. These procedures shall include the submission of fingerprints or other biometric-based
22 information by applicants for the purpose of obtaining an applicant's criminal history record information from the
23 federal bureau of investigation and the agency responsible for retaining that state's criminal records.

24 (i) A member state shall, within a time frame established by the commission, require a criminal
25 background check for a licensee seeking or applying for a compact privilege whose primary state of residence
26 is that member state, by receiving the results of the federal bureau of investigation criminal record search, and
27 shall use the results in making licensure decisions.

28 (ii) Communication between a member state, the commission, and among member states

1 regarding the verification of eligibility for licensure through the compact may not include any information
2 received from the federal bureau of investigation relating to a federal criminal records check performed by a
3 member state under Public Law 92-544.

4 (f) comply with the rules of the commission;

5 (g) use a recognized national examination as a requirement for licensure pursuant to the rules of
6 the commission; and

7 (h) have continuing competence requirements as a condition for license renewal.

8 (2) A member state shall grant the compact privilege to a licensee holding a valid unencumbered
9 license in another member state in accordance with the terms of the compact and rules.

10 (3) A member state may charge a fee for granting a compact privilege.

11 (4) A member state shall provide for the state's delegate to attend all occupational therapy
12 compact commission meetings.

13 (5) An individual not residing in a member state shall continue to be able to apply for a member
14 state's single-state license as provided under the laws of each member state. However, the single-state license
15 granted to these individuals may not be recognized as granting the compact privilege in any other member
16 state.

17 (6) Nothing in this compact shall affect the requirements established by a member state for the
18 issuance of a single-state license.

19 SECTION 4. COMPACT PRIVILEGE

20 (1) To exercise the compact privilege under the terms and provisions of the compact, the licensee:

21 (a) must be licensed under Title 37, chapter 24, in the home state;

22 (b) must have a valid United States social security number or national practitioner identification
23 number;

24 (c) may not have an encumbrance on any state license;

25 (d) must be eligible for a compact privilege in any member state in accordance with subsections
26 (4), (6), (7), and (8) of this section;

27 (e) must have paid all fines and completed all requirements resulting from any adverse action
28 against any license or compact privilege, and 2 years have elapsed from the date of such completion;

1 (f) shall notify the commission that the licensee is seeking the compact privilege within a remote
2 state or remote states;

3 (g) shall pay any applicable fees, including any state fee, for the compact privilege;

4 (h) shall complete a criminal background check in accordance with Section 3, subsection (1)(e).
5 The licensee shall be responsible for the payment of any fee associated with the completion of a criminal
6 background check.

7 (i) shall meet any jurisprudence requirements established by the remote state or remote states in
8 which the licensee is seeking a compact privilege; and

9 (j) shall report to the commission adverse action taken by any nonmember state within 30 days
10 from the date the adverse action is taken.

11 (2) The compact privilege is valid until the expiration date of the home state license. The licensee
12 shall comply with the requirements of subsection (1) to maintain the compact privilege in the remote state.

13 (3) A licensee providing occupational therapy in a remote state under the compact privilege shall
14 function within the laws and regulations of the remote state.

15 (4) Occupational therapy assistants practicing in a remote state shall be supervised by an
16 occupational therapist licensed or holding a compact privilege in that remote state.

17 (5) A licensee providing occupational therapy in a remote state is subject to that state's regulatory
18 authority. A remote state may, in accordance with due process and that state's laws, remove a licensee's
19 compact privilege in the remote state for a specific period of time, impose fines, or take any other necessary
20 actions to protect the health and safety of its citizens. The licensee may be ineligible for a compact privilege in
21 any state until the specific time for removal has passed and all fines are paid.

22 (6) If a home state license is encumbered, the licensee shall lose the compact privilege in any
23 remote state until the following occur:

24 (a) the home state license is no longer encumbered; and

25 (b) 2 years have elapsed from the date on which the home state license is no longer encumbered
26 in accordance with subsection (6)(a) of this section.

27 (7) Once an encumbered license in the home state is restored to good standing, the licensee shall
28 meet the requirements of subsection (1) to obtain a compact privilege in any remote state.

1 (8) If a licensee's compact privilege in any remote state is removed, the individual may lose the
2 compact privilege in any other remote state until the following occur:

3 (a) the specific period of time for which the compact privilege was removed has ended;

4 (b) all fines have been paid and all conditions have been met;

5 (c) 2 years have elapsed from the date of completing requirements for subsections (8)(a) and (b)
6 of this section; and

7 (d) the compact privileges are reinstated by the commission, and the compact data system is
8 updated to reflect reinstatement.

9 (9) If a licensee's compact privilege in any remote state is removed due to an erroneous charge,
10 privileges shall be restored through the compact data system.

11 (10) Once the requirements of subsection (8) have been met, the licensee shall meet the
12 requirements in subsection (1) to obtain a compact privilege in a remote state.

13 SECTION 5. OBTAINING A NEW HOME STATE LICENSE BY VIRTUE OF COMPACT PRIVILEGE

14 (1) An occupational therapist or occupational therapy assistant may hold a home state license,
15 which allows for compact privileges in member states, in only one member state at a time.

16 (2) If an occupational therapist or occupational therapy assistant changes primary state of
17 residence by moving between two member states:

18 (a) the occupational therapist or occupational therapy assistant shall file an application for
19 obtaining a new home state license by virtue of a compact privilege, pay all applicable fees, and notify the
20 current and new home state in accordance with applicable rules adopted by the commission;

21 (b) upon receipt of an application for obtaining a new home state license by virtue of compact
22 privilege, the new home state shall verify that the occupational therapist or occupational therapy assistant
23 meets the pertinent criteria outlined in Section 4 via the data system, without need for primary source
24 verification except for:

25 (i) a federal bureau of investigation fingerprint-based criminal background check if not previously
26 performed or updated pursuant to applicable rules adopted by the commission in accordance with Public Law
27 92-544;

28 (ii) other criminal background check as required by the new home state; and

1 (iii) submission of any requisite jurisprudence requirements of the new home state;

2 (c) the former home state shall convert the former home state license into a compact privilege
3 once the new home state has activated the new home state license in accordance with applicable rules
4 adopted by the commission;

5 (d) notwithstanding any other provision of this compact, if the occupational therapist or
6 occupational therapy assistant cannot meet the criteria in Section 4, the new home state shall apply its
7 requirements for issuing a new single-state license;

8 (e) the occupational therapist or the occupational therapy assistant shall pay all applicable fees to
9 the new home state in order to be issued a new home state license.

10 (3) If an occupational therapist or occupational therapy assistant changes primary state of
11 residence by moving from a member state to a nonmember state, or from a nonmember state to a member
12 state, the state criteria shall apply for issuance of a single-state license in the new state.

13 (4) Nothing in this compact shall interfere with a licensee's ability to hold a single-state license in
14 multiple states; however, for the purposes of this compact, a licensee shall have only one home state license.

15 (5) Nothing in this compact shall affect the requirements established by a member state for the
16 issuance of a single-state license.

17 SECTION 6. ACTIVE-DUTY MILITARY PERSONNEL OR THEIR SPOUSES

18 Active-duty military personnel, or their spouses, shall designate a home state where the individual has
19 a current license in good standing. The individual may retain the home state designation during the period the
20 service member is on active duty. Subsequent to designating a home state, the individual shall only change
21 their home state through application for licensure in the new state or through the process described in Section
22 5.

23 SECTION 7. ADVERSE ACTIONS

24 (1) A home state has exclusive power to impose adverse action against a license issued by the
25 home state.

26 (2) In addition to the other powers conferred by state law, a remote state has the authority, in
27 accordance with existing state due process law, to:

28 (a) take adverse action against a licensee's compact privilege within that member state;

1 (b) issue subpoenas for both hearings and investigations that require the attendance and
2 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a
3 member state for the attendance and testimony of witnesses or the production of evidence from another
4 member state shall be enforced in the latter state by any court of competent jurisdiction, according to the
5 practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The
6 issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service
7 statutes of the state in which the witnesses or evidence are located.

8 (3) For purposes of taking adverse action, the home state shall give the same priority and effect to
9 reported conduct received from a member state as it would if the conduct had occurred within the home state.
10 In so doing, the home state shall apply its own state laws to determine appropriate action.

11 (4) The home state shall complete any pending investigations of an occupational therapist or
12 occupational therapy assistant who changes primary state of residence during the course of the investigations.
13 The home state, where the investigations were initiated, shall also have the authority to take appropriate action
14 and shall promptly report the conclusions of the investigations to the occupational therapy compact commission
15 data system. The occupational therapy compact commission data system administrator shall promptly notify the
16 new home state of any adverse actions.

17 (5) A member state, if otherwise permitted by state law, may recover from the affected
18 occupational therapist or occupational therapy assistant the costs of investigations and disposition of cases
19 resulting from any adverse action taken against that occupational therapist or occupational therapy assistant.

20 (6) A member state may take adverse action based on the factual findings of the remote state,
21 provided that the member state follows its own procedures for taking the adverse action.

22 (7) (a) In addition to the authority granted to a member state by its respective state occupational
23 therapy laws and regulations or other applicable state law, any member state may participate with other
24 member states in joint investigations of licensees.

25 (b) Member states shall share any investigative, litigation, or compliance materials in furtherance
26 of any joint or individual investigation initiated under the compact.

27 (8) If an adverse action is taken by the home state against a licensee's license, the licensee's
28 compact privilege in all other member states shall be deactivated until all encumbrances have been removed

1 from the state license. All home state disciplinary orders that impose adverse action against a licensee's license
2 shall include a statement that the licensee's compact privilege is deactivated in all member states during the
3 pendency of the order.

4 (9) If a member state takes adverse action, it shall promptly notify the administrator of the data
5 system. The administrator of the data system shall promptly notify the home state of any adverse actions by
6 remote states.

7 (10) Nothing in this compact shall override a member state's decision that participation in an
8 alternative program may be used in lieu of adverse action.

9 SECTION 8. ESTABLISHMENT OF THE OCCUPATIONAL THERAPY COMPACT COMMISSION

10 (1) The compact member states hereby create and establish a joint public agency known as the
11 occupational therapy compact commission:

12 (a) The commission is an instrumentality of the compact states.

13 (b) Venue is proper and judicial proceedings by or against the commission shall be brought solely
14 and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The
15 commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in
16 alternative dispute resolution proceedings.

17 (c) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

18 (2) (a) Each member state has and is limited to one delegate selected by that member state's
19 licensing board.

20 (b) The delegate must be either a current member of the licensing board, who is an occupational
21 therapist, occupational therapy assistant, a public member, or a board administrator.

22 (c) Any delegate may be removed or suspended from office as provided by the law of the state
23 from which the delegate is appointed.

24 (d) The member state board shall fill any vacancy occurring in the commission within 90 days.

25 (e) Each delegate is entitled to one vote with regard to the promulgation of rules and creation of
26 bylaws and shall otherwise have an opportunity to participate in the business and affairs of the commission. A
27 delegate shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for
28 delegates' participation in meetings by telephone or other means of communication.

- 1 (f) The commission shall meet at least once during each calendar year. Additional meetings shall
2 be held as set forth in the bylaws.
- 3 (g) The commission shall establish by rule a term of office for delegates.
- 4 (3) The commission has the power and duty to:

12 compact. The rules shall have the force and effect of law and shall be binding in all member states.

14 the standing of any state occupational therapy licensing board to sue or be sued under applicable law must not
15 be affected;
- 16 (h) purchase and maintain insurance and bonds;
- 17 (i) borrow, accept, or contract for services of personnel, including, but not limited to, employees of
18 a member state;
- 19 (j) hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals
20 appropriate authority to carry out the purposes of the compact, and establish the commission's personnel
21 policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel
22 matters;
- 23 (k) accept any and all appropriate donations and grants of money, equipment, supplies, materials
24 and services, and receive, utilize, and dispose of the same; provided that at all times the commission shall
25 avoid any appearance of impropriety and/or conflict of interest;
- 26 (l) lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold, improve, or
27 use, any property, real, personal, or mixed; provided that at all times the commission shall avoid any
28 appearance of impropriety;

- 1 (m) sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any
2 property real, personal, or mixed;
- 3 (n) establish a budget and make expenditures;
- 4 (o) borrow money;
- 5 (p) appoint committees, including standing committees composed of members, state regulators,
6 state legislators or their representatives, and consumer representatives, and such other interested persons as
7 may be designated in this compact and the bylaws;
- 8 (q) provide and receive information from, and cooperate with, law enforcement agencies;
- 9 (r) establish and elect an executive committee; and
- 10 (s) perform such other functions as may be necessary or appropriate to achieve the purposes of
11 this compact consistent with the state regulation of occupational therapy licensure and practice.
- 12 (4) The executive committee has the power to act on behalf of the commission according to the
13 terms of this compact.
- 14 (a) The executive committee is composed of nine members, of which:
- 15 (i) seven voting members are to be elected by the commission from the current membership of
16 the commission;
- 17 (ii) one ex-officio, nonvoting member must be from a recognized national occupational therapy
18 professional association; and
- 19 (iii) one ex-officio, nonvoting member must be from a recognized national occupational therapy
20 certification organization.
- 21 (b) The ex-officio members are to be selected by their respective organizations.
- 22 (c) The commission may remove any member of the executive committee as provided in bylaws.
- 23 (d) The executive committee shall meet at least annually.
- 24 (e) The executive committee has the following duties and responsibilities:
- 25 (i) recommend to the entire commission changes to the rules or bylaws, changes to this compact
26 legislation, fees paid by compact member states such as annual dues, and any commission compact fee
27 charged to licensees for the compact privilege;

- 6 (vii) perform other duties as provided in rules or bylaws.
- 7 (5) (a) All meetings of the commission must be open to the public, and public notice of meetings
8 must be given in the same manner as required under the rulemaking provisions in Section 10.
- 9 (b) The commission or the executive committee or other committees of the commission may
10 convene in a closed, nonpublic meeting if the commission or executive committee or other committees of the
11 commission must discuss:
- 12 (i) noncompliance of a member state with its obligations under the compact;
- 13 (ii) the employment, compensation, discipline or other matters, practices or procedures related to
14 specific employees or other matters related to the commission's internal personnel practices and procedures;
- 15 (iii) current, threatened, or reasonably anticipated litigation;

- 18 (vi) disclosure of trade secrets or commercial or financial information that is privileged or
19 confidential;

21 unwarranted invasion of personal privacy;
- 22 (viii) disclosure of investigative records compiled for law enforcement purposes;
- 23 (ix) disclosure of information related to any investigative reports prepared by or on behalf of or for
24 use of the commission or other committee charged with responsibility of investigation or determination of
25 compliance issues pursuant to the compact; or
- 26 (x) matters specifically exempted from disclosure by federal or member state statute.
- 27 (c) If a meeting, or portion of a meeting, is closed pursuant to this provision, the commission's
28 legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant

1 exempting provision.

2 (d) The commission shall keep minutes that fully and clearly describe all matters discussed in a
3 meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a
4 description of the views expressed. All documents considered in connection with an action shall be identified in
5 such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a
6 majority vote of the commission or order of a court of competent jurisdiction.

7 (6) The commission:

8 (a) shall pay, or provide for the payment of, the reasonable expenses of its establishment,
9 organization, and ongoing activities;

10 (b) may accept any and all appropriate revenue sources, donations, and grants of money,
11 equipment, supplies, materials, and services;

12 (c) may levy on and collect an annual assessment from each member state or impose fees on
13 other parties to cover the cost of the operations and activities of the commission and its staff, which must be in
14 a total amount sufficient to cover its annual budget as approved by the commission each year for which
15 revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based
16 upon a formula to be determined by the commission, which shall promulgate a rule binding upon all member
17 states.

18 (d) may not incur obligations of any kind prior to securing the funds adequate to meet the same;
19 nor shall the commission pledge the credit of any of the member states, except by and with the authority of the
20 member state;

21 (e) shall keep accurate accounts of all receipts and disbursements. The receipts and
22 disbursements of the commission are subject to the audit and accounting procedures established under its
23 bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly
24 by a certified or licensed public accountant, and the report of the audit shall be included in and become part of
25 the annual report of the commission.

26 (7) (a) The commission shall defend any member, officer, executive director, employee, or
27 representative of the commission in any civil action seeking to impose liability arising out of any actual or
28 alleged act, error, or omission that occurred within the scope of commission employment, duties, or

1 responsibilities, or that the person against whom the claim is made had a reasonable basis for believing
 2 occurred within the scope of commission employment, duties, or responsibilities; provided that nothing herein
 3 shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the
 4 actual or alleged act, error, or omission did not result from that person’s intentional or willful or wanton
 5 misconduct.

6 (b) The commission shall indemnify and hold harmless any member, officer, executive director,
 7 employee, or representative of the commission for the amount of any settlement or judgment obtained against
 8 that person arising out of any actual or alleged act, error, or omission that occurred within the scope of
 9 commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing
 10 occurred within the scope of commission employment, duties, or responsibilities, provided that the actual or
 11 alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

12 SECTION 9. DATA SYSTEM

13 (1) The commission shall provide for the development, maintenance, and utilization of a
 14 coordinated database and reporting system containing licensure, adverse action, and investigative information
 15 on all licensed individuals in member states.

16 (2) Notwithstanding any other provision of state law to the contrary, a member state shall submit a
 17 uniform data set to the data system on all individuals to whom this compact is applicable, utilizing a unique
 18 identifier, as required by the rules of the commission, including:

- 19 (a) identifying information;
- 20 (b) licensure data;
- 21 (c) adverse actions against a license or compact privilege;
- 22 (d) nonconfidential information related to alternative program participation;
- 23 (e) any denial of application for licensure, and the reason for such denial;
- 24 (f) other information that may facilitate the administration of this compact, as determined by the
 25 rules of the commission; and
- 26 (g) current significant investigative information.

27 (3) Current significant investigative information and other investigative information pertaining to a
 28 licensee in any member state is only available to other member states.

1 voted upon;

2 (b) the text of the proposed rule or amendment and the reason for the proposed rule;

3 (c) a request for comments on the proposed rule from any interested person; and

4 (d) the manner in which interested persons may submit notice to the commission of their intention
5 to attend the public hearing and any written comments.

6 (7) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data,
7 facts, opinions, and arguments, which shall be made available to the public.

8 (8) The commission shall grant an opportunity for a public hearing before it adopts a rule or
9 amendment if a hearing is requested by:

10 (a) at least 25 persons;

11 (b) a state or federal governmental subdivision or agency; or

12 (c) an association or organization having at least 25 members.

13 (9) If a hearing is held on the proposed rule or amendment, the commission shall publish the
14 place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the
15 commission shall publish the mechanism for access to the electronic hearing.

16 (a) All persons wishing to be heard at the hearing shall notify the executive director of the
17 commission or other designated member in writing of their desire to appear and testify at the hearing not less
18 than 5 business days before the scheduled date of the hearing.

19 (b) Hearings must be conducted in a manner providing each person who wishes to comment a fair
20 and reasonable opportunity to comment orally or in writing.

21 (c) All hearings must be recorded and copies of the recording are to be made available on request.

22 (d) This section may not be construed as requiring a separate hearing on each rule. Rules may be
23 grouped for the convenience of the commission at hearings required by this section.

24 (10) Following the scheduled hearing date, or by the close of business on the scheduled hearing
25 date if the hearing was not held, the commission shall consider all written and oral comments received.

26 (11) If no written notice of intent to attend the public hearing by interested parties is received, the
27 commission may proceed with promulgation of the proposed rule without a public hearing.

28 (12) The commission shall, by majority vote of all members, take final action on the proposed rule

1 and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the
2 rule.

3 (13) Upon determination that an emergency exists, the commission may consider and adopt an
4 emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking
5 procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as
6 reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this
7 provision, an emergency rule is one that must be adopted immediately in order to:

8 (a) meet an imminent threat to public health, safety, or welfare;

9 (b) prevent a loss of commission or member state funds;

10 (c) meet a deadline for the promulgation of an administrative rule that is established by federal law
11 or rule; or

12 (d) protect public health and safety.

13 (14) The commission or an authorized committee of the commission may direct revisions to a
14 previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in
15 consistency, or grammatical errors. Public notice of any revisions must be posted on the website of the
16 commission. The revision is subject to challenge by any person for a period of 30 days after posting. The
17 revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge
18 must be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no
19 challenge is made, the revision takes effect without further action. If the revision is challenged, the revision may
20 not take effect without the approval of the commission.

21 SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

22 (1) (a) The executive, legislative, and judicial branches of state government in each member state
23 shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes
24 and intent. The provisions of this compact and the rules promulgated under this compact have standing as
25 statutory law.

26 (b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative
27 proceeding in a member state pertaining to the subject matter of this compact which may affect the powers,
28 responsibilities, or actions of the commission.

1 (c) The commission is entitled to receive service of process in any proceeding described in
2 subsection (1)(b) of this section and has standing to intervene in that proceeding for all purposes. Failure to
3 provide service of process to the commission renders a judgment or order void as to the commission, the
4 compact, or promulgated rules.

5 (2) (a) If the commission determines that a member state has defaulted in the performance of its
6 obligations or responsibilities under this compact or the promulgated rules, the commission shall provide:

7 (i) written notice to the defaulting state and other member states of the nature of the default, the
8 proposed means of curing the default, or any other action to be taken by the commission; and

9 (ii) remedial training and specific technical assistance regarding the default.

10 (b) If a state in default fails to cure the default, the defaulting state may be terminated from the
11 compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits
12 conferred by this compact may be terminated on the effective date of termination. A cure of the default does not
13 relieve the offending state of obligations or liabilities incurred during the period of default.

14 (c) Termination of membership in the compact shall be imposed only after all other means of
15 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the
16 commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of
17 the member states.

18 (d) A state that has been terminated is responsible for all assessments, obligations, and liabilities
19 incurred through the effective date of termination, including obligations that extend beyond the effective date of
20 termination.

21 (e) The commission shall not bear any costs related to a state that is found to be in default or that
22 has been terminated from the compact, unless agreed upon in writing between the commission and the
23 defaulting state.

24 (f) The defaulting state may appeal the action of the commission by petitioning the U.S. district
25 court for the District of Columbia or the federal district where the commission has its principal offices. The
26 prevailing member must be awarded all costs of such litigation, including reasonable attorney fees.

27 (3) (a) Upon request by a member state, the commission shall attempt to resolve disputes related
28 to the compact that arise among member states and between member and nonmember states.

1 (b) The commission shall promulgate a rule providing for both mediation and binding dispute
2 resolution for disputes as appropriate.

3 (4) (a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions
4 and rules of this compact.

5 (b) By majority vote, the commission may initiate legal action in the U.S. district court for the
6 District of Columbia or the federal district where the commission has its principal offices against a member state
7 in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The
8 relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the
9 prevailing member must be awarded all costs of such litigation, including reasonable attorney fees.

10 (c) The remedies in this section are not to be the exclusive remedies of the commission. The
11 commission may pursue any other remedies available under federal or state law.

12 SECTION 12. DATE OF IMPLEMENTATION OF THE INTERSTATE COMPACT FOR
13 OCCUPATIONAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

14 (1) The compact is effective in this state on the date on which the compact statute is enacted into
15 law in the tenth member state. The provisions, which become effective at that time, are limited to the powers
16 granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall
17 meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

18 (2) Any state that joins the compact subsequent to the commission's initial adoption of the rules is
19 subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has
20 been previously adopted by the commission has the full force and effect of law on the day the compact
21 becomes law in that state.

22 (3) Any member state may withdraw from this compact by enacting a statute repealing the
23 compact.

24 (a) A member state's withdrawal does not take effect until 6 months after enactment of the
25 repealing statute.

26 (b) Withdrawal does not affect the continuing requirement of the withdrawing state's occupational
27 therapy licensing board to comply with the investigative and adverse action reporting requirements in [section 1]
28 prior to the effective date of withdrawal.

1 constitutional provision in question in that member state.

4 integral part of Title 37, chapter 24, and the provisions of Title 37, chapter 24, apply to [section 1].
