~~(3) The growth rate applied to the reimbursements is:~~

3 of the average rate of inflation for the prior 3 years.

4 (b) A governmental entity that does not impose the maximum number of mills authorized under
5 subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between
6 the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill
7 authority carried forward may be imposed in a subsequent tax year.

8 (c) For the purposes of subsection (1)(a), the department shall calculate one-half of the average
9 rate of inflation for the prior 3 years by using the consumer price index, U.S. city average, all urban consumers,
10 using the 1982-84 base of 100, as published by the bureau of labor statistics of the United States department of

- 1 (i) a change in the boundary of a tax increment financing district;
- 2 (ii) an increase in the base value of the tax increment financing district pursuant to 7-15-4287; or
- 3 (iii) the termination of a tax increment financing district.
- 4 (b) If a tax increment financing district terminates prior to the certification of taxable values as

- 6 increment financing district terminates. If a tax increment financing district terminates after the certification of
- 7 taxable values as required in 15-10-202, the increment value is reported as newly taxable property in the
- 8 following tax year.
- 9 (c) For the purpose of subsection (3)(a)(ii), the value of newly taxable class four property that was
- 10 constructed, expanded, or remodeled property since the completion of the last reappraisal cycle is the current

- 20 (7) In determining the maximum number of mills in subsection (1)(a), the governmental entity:

5 (i) a judgment levy under 2-9-316, 7-6-4015, or 7-7-2202;

14 (viii) a levy used to fund the sheriffs' retirement system under 19-7-404(2)(b); or

15 (ix) a governmental entity from levying mills for the support of an airport authority in existence prior
16 to May 7, 2019, regardless of the amount of the levy imposed for the support of the airport authority in the past.
17 The levy under this subsection (9)(a)(ix) is limited to the amount in the resolution creating the authority.

18 (b) A levy authorized under subsection (9)(a) may not be included in the amount of property taxes
19 actually assessed in a subsequent year.

20 (10) A governmental entity may levy mills for the support of airports as authorized in 67-10-402, 67-
21 11-301, or 67-11-302 even though the governmental entity has not imposed a levy for the airport or the airport
22 authority in either of the previous 2 years and the airport or airport authority has not been appropriated
23 operating funds by a county or municipality during that time.

24 (11) The department may adopt rules to implement this section. The rules may include a method for
