checking a box on the notice within 30 days from the date on the classification and appraisal notice for a reduction in the appraised value to be considered for both years of the 2-year valuation cycle. An objection made more than 30 days from the date of the classification and appraisal notice will be applicable only for the second year of the 2-year valuation cycle. For an objection to apply to the second year of the valuation cycle, the taxpayer shall make the objection in writing or by checking a box on the notice no later than June 1 of the second year of the valuation cycle or, if a classification and appraisal notice is received in the second year of the valuation cycle, within 30 days from the date on the notice.

(iii) For class ten property described in 15-6-143, the objection may be made at any time but only once each valuation cycle. An objection must be made in writing or by checking a box on the notice within 30 days from the date on the classification and appraisal notice for a reduction in the appraised value to be considered for all years of the 6-year appraisal cycle. An objection made more than 30 days after the date of the classification and appraisal notice applies only for the subsequent remaining years of the 6-year reappraisal cycle. For an objection to apply to any subsequent year of the valuation cycle, the taxpayer shall make the objection in writing or by checking a box on the notice no later than June 1 of the year for which the value is being appealed or, if a classification and appraisal notice is received after the first year of the valuation cycle, within 30 days from the date on the notice.

(b) If the objection relates to residential or commercial property and the objector agrees to the confidentiality requirements, the department shall provide to the objector, by posted mail or electronically, within 8 weeks of submission of the objection, the following information:

(i) the methodology and sources of data used by the department in the valuation of the property;

and

(ii) if the department uses a blend of evaluations developed from various sources, the reasons that the methodology was used.

(c) At the request of the objector or a representative of the objector, and only if the objector or representative signs a written or electronic confidentiality agreement, the department shall provide in written or electronic form:

(i) comparable sales data used by the department to value the property;

(ii) sales data used by the department to value residential property in the property taxpayer's

1 market model area; and

2 (iii) if the cost approach was used by the department to value residential property, the
3 documentation required in 15-8-111(3) regarding why the comparable sales approach was not reliable.

4 (d) For properties valued using the income approach as one approximation of market value, notice
5 must be provided that the taxpayer will be given a form to acknowledge confidentiality requirements for the
6 receipt of all aggregate model output that the department used in the valuation model for the property.

7 (e) The review must be conducted informally and is not subject to the contested case procedures
8 of the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual
9 selling price of the property and other relevant information presented by the taxpayer in support of the
10 taxpayer's opinion as to the market value of the property. The department shall consider an independent
11 appraisal provided by the taxpayer if the appraisal meets standards set by the Montana board of real estate
12 appraisers and the appraisal was completed within 6 months of the valuation date pursuant to 15-8-201. If the
13 department does not use the appraisal provided by the taxpayer in conducting the appeal, the department shall
14 provide to the taxpayer the reason for not using the appraisal. The department shall give reasonable notice to
15 the taxpayer of the time and place of the review.

16 (f) After the review, the department shall determine the correct appraisal and classification of the
17 land or improvements and notify the taxpayer of its determination by mail or electronically. The department may
18 not determine an appraised value that is higher than the value that was the subject of the objection unless the
19 reason for an increase was the result of a physical change in the property or caused by an error in the
20 description of the property or data available for the property that is kept by the department and used for
21 calculating the appraised value. In the notification, the department shall state its reasons for revising the
22 classification or appraisal. When the proper appraisal and classification have been determined, the land must
23 be classified and the improvements appraised in the manner ordered by the department.

24 (4) Whether a review as provided in subsection (3) is held or not, the department may not adjust
25 an appraisal or classification upon the taxpayer's objection unless:

26 (a) the taxpayer has submitted an objection on written or electronic forms provided by the
27 department or by checking a box on the notice; and

28 (b) the department has provided to the objector by mail or electronically its stated reason in writing

1 for making the adjustment.

2 (5) A taxpayer's written objection or objection made by checking a box on the notice and
3 supplemental information provided by a taxpayer that elects to check a box on the notice to a classification or
4 appraisal and the department's notification to the taxpayer of its determination and the reason for that
5 determination are public records. The department shall make the records available for inspection during regular
6 office hours.

7 (6) If a property owner feels aggrieved by the classification or appraisal made by the department
8 after the review provided for in subsection (3), the property owner has the right to first appeal to the county tax
9 appeal board and then to the Montana tax appeal board, whose findings are final subject to the right of review
10 in the courts. The appeal to the county tax appeal board, pursuant to 15-15-102, must be filed within 30 days
11 from the date on the notice of the department's determination. A county tax appeal board or the Montana tax
12 appeal board may consider the actual selling price of the property, independent appraisals of the property, and
13 other relevant information presented by the taxpayer as evidence of the market value of the property. If the
14 county tax appeal board or the Montana tax appeal board determines that an adjustment should be made, the
15 department shall adjust the base value of the property in accordance with the board's order."

18 **"15-16-101. Treasurer to publish notice -- manner of publication.** (1) Within 10 days after the
19 receipt of the property tax record, the county treasurer shall publish a notice specifying:

20 (a) that one-half of all taxes levied and assessed will be due and payable before 5 p.m. on the next
21 November 30 or within 30 days after the notice is postmarked and that unless paid prior to that time the amount
22 then due will be delinquent and will draw interest at the rate of 5/6 of 1% a month from the time of delinquency
23 until paid and 2% will be added to the delinquent taxes as a penalty;

24 (b) that one-half of all taxes levied and assessed will be due and payable on or before 5 p.m. on
25 the next May 31 and that unless paid prior to that time the taxes will be delinquent and will draw interest at the
26 rate of 5/6 of 1% a month from the time of delinquency until paid and 2% will be added to the delinquent taxes
27 as a penalty; and

28 (c) the time and place at which payment of taxes may be made.

(2) (a) The county treasurer shall send to the last-known address of each taxpayer a written notice, postage prepaid, showing the amount of taxes and assessments due for the current year and the amount due and delinquent for other years. The written notice must include:

(i) the taxable value of the property;

(ii) the total mill levy applied to that taxable value;

(iii) itemized city services and special improvement district assessments collected by the county;

(iv) the number of the school district in which the property is located;

(v) the amount of the total tax due itemized by mill levy that is levied as city tax, county tax, state tax, school district tax, and other tax;

(vi) an indication of which mill levies are voted levies, including voted levies to impose a new mill levy, to increase a mill levy that is required to be submitted to the electors, or to exceed the mill levy limit provided for in 15-10-420; and

(b) If a tax lien is attached to the property, the notice must also include, in a manner calculated to draw attention, a statement that a tax lien is attached to the property, that failure to respond will result in loss of property, and that the taxpayer may contact the county treasurer for complete information.

(3) The municipality shall, upon request of the county treasurer, provide the information to be included under subsection (2)(a)(iii) ready for mailing.

(4) The notice in every case must be given as provided in 7-1-2121. Failure to publish or post notices does not relieve the taxpayer from any tax liability. Any failure to give notice of the tax due for the current year or of delinquent tax will not affect the legality of the tax.

(5) If the department revises an assessment that results in an additional tax of \$5 or less, an additional tax is not owed and a new tax bill does not need to be prepared."

Section 8. ~~Section 15-16-102, MCA, is amended to read:~~

~~"15-16-102. Time for payment—penalty for delinquency. ~~(3) All taxes due and not paid on or before 5 p.m. on May 31 of each year are delinquent and draw interest at the rate of 5/6 of 1% a month from and after the delinquency until paid, and 2% must be added to the delinquent taxes as a penalty.~~

~~(5) (a) A taxpayer may pay current year taxes without paying delinquent taxes. The county treasurer shall accept a partial payment equal to the delinquent taxes, including penalty and interest, for one or more full tax years if taxes currently due for the current tax year have been paid.
