

HB 284 Amendment

The following section should read:

Section 2

(h) The Commission order must approve or deny an initial cost finding, in whole or in part. Any additional ~~beyond~~ costs in excess of the Commission approved amount must be approved or denied, in whole or in part, in a subsequent proceeding.

Sara - please draft this one for me.

By hand

SB 284

1) Amendment to taken out the House  
Amendment on HB284

2) Amend HB 284 to permit the  
Commission to revise the initial  
pre-approved costs to match the  
actual costs of acquisition of an  
electricity supply source based on new findings
