Rebuttal to Fiscal note SB 298

Spe
(Descr

- 1) Does not create new opportunity for 5001 hunters.
- 3) Specific disability not "disabled"
- 7) It is absurd to assume 4000 new applicants for PTMAE
- 11) Half of new PTMAE holders will never have archery hunted? Dept should explain.
- 14) Staff has already checked for appropriateness for PTMAE. No new FTE required
- 17 and 18) Most if not all of these hunters are already surveyed. No new cost

What is your estimate of the fiscal impact?
