1 (3) A shareholder of a DISC that is exempt from the corporate income tax under 15-31-102(1)(l)
2 shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same
3 manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the
4 DISC election is effective.

5 (4) (a) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's
6 business deductions:

7 (i) by an amount for wages and salaries for which a federal tax credit was elected under sections
8 38 and 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the
9 wages and salaries paid regardless of the credit taken; or

10 (ii) for which a federal tax credit was elected under the Internal Revenue Code is allowed to
11 deduct the amount of the business expense paid when there is no corresponding state income tax credit or
12 deduction, regardless of the credit taken.

13 (b) The deductions in subsection (4)(a) must be made in the year that the wages, salaries, or
14 business expenses were used to compute the credit. In the case of a partnership or small business corporation,
15 the deductions in subsection (4)(a) must be made to determine the amount of income or loss of the partnership
16 or small business corporation.

17 (5) Married taxpayers filing a joint federal return who are required to include part of their social
18 security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the
19 federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad
20 retirement benefits when they file separate Montana income tax returns. The federal base must be split equally
21 on the Montana return.

22 (6) Married taxpayers filing a joint federal return who are allowed a capital loss deduction under
23 section 1211 of the Internal Revenue Code, 26 U.S.C. 1211, and who file separate Montana income tax returns
24 may claim the same amount of the capital loss deduction that is allowed on the federal return. If the allowable
25 capital loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the
26 loss must be split equally on each return.

27 (7) In the case of passive and rental income losses, married taxpayers filing a joint federal return
28 and who file separate Montana income tax returns are not required to recompute allowable passive losses

1 according to the federal passive activity rules for married taxpayers filing separately under section 469 of the
2 Internal Revenue Code, 26 U.S.C. 469. If the allowable passive loss is clearly attributable to one spouse, the
3 loss must be shown on that spouse's return; otherwise, the loss must be split equally on each return.

4 (8) Married taxpayers filing a joint federal return in which one or both of the taxpayers are allowed
5 a deduction for an individual retirement contribution under section 219 of the Internal Revenue Code, 26 U.S.C.
6 219, and who file separate Montana income tax returns may claim the same amount of the deduction that is
7 allowed on the federal return. The deduction must be attributed to the spouse who made the contribution.

8 (9) (a) Married taxpayers filing a joint federal return who are allowed a deduction for interest paid
9 for a qualified education loan under section 221 of the Internal Revenue Code, 26 U.S.C. 221, and who file
10 separate Montana income tax returns may claim the same amount of the deduction that is allowed on the
11 federal return. The deduction may be split equally on each return or in proportion to each taxpayer's share of
12 federal adjusted gross income.

13 (b) Married taxpayers filing a joint federal return who are allowed a deduction for qualified tuition
14 and related expenses under section 222 of the Internal Revenue Code, 26 U.S.C. 222, and who file separate
15 Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return.
16 The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted
17 gross income.

18 (10) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the
19 end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross
20 income up to \$100 a week received as wages or payments in lieu of wages for a period during which the
21 employee is absent from work due to the disability. If the adjusted gross income before this exclusion exceeds
22 \$15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion,
23 but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion
24 separately, but the limitation for income exceeding \$15,000 is determined with respect to the spouses on their
25 combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means
26 unable to engage in any substantial gainful activity by reason of any medically determined physical or mental
27 impairment lasting or expected to last at least 12 months.

28 (11) (a) An individual who contributes to one or more accounts established under the Montana

1 family education savings program or to a qualified tuition program established and maintained by another state
2 as provided by section 529(b)(1)(A)(ii) of the Internal Revenue Code, 26 U.S.C. 529(b)(1)(A)(ii), may reduce
3 adjusted gross income by the lesser of \$3,000 or the amount of the contribution. In the case of married
4 taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the
5 accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made
6 by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to
7 contributions to an account of which the account owner is the taxpayer, the taxpayer's spouse, or the taxpayer's
8 child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e)
9 do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

10 (b) Contributions made pursuant to this subsection (11) are subject to the recapture tax provided in
11 15-62-208.

12 (12) (a) An individual who contributes to one or more accounts established under the Montana
13 achieving a better life experience program or to a qualified program established and maintained by another
14 state may reduce adjusted gross income by the lesser of \$3,000 or the amount of the contribution. In the case
15 of married taxpayers, each spouse is entitled to a reduction, not to exceed \$3,000, for the spouses'
16 contributions to the accounts. Spouses may jointly elect to treat one-half of the total contributions made by the
17 spouses as being made by each spouse. The reduction in adjusted gross income under this subsection (12)(a)
18 applies only with respect to contributions to an account for which the account owner is the taxpayer, the
19 taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident.
20 The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced
21 adjusted gross income.

22 (b) Contributions made pursuant to this subsection (12) are subject to the recapture tax provided in
23 53-25-118.

24 (13) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection
25 (13)(a)(iv), not to exceed \$5,000, from the taxpayer's adjusted gross income if the taxpayer:

26 (i) is a health care professional licensed in Montana as provided in Title 37;

27 (ii) is serving a significant portion of a designated geographic area, special population, or facility
28 population in a federally designated health professional shortage area, a medically underserved area or

1 population, or a federal nursing shortage county as determined by the secretary of health and human services
2 or by the governor;

3 (iii) has had a student loan incurred as a result of health-related education; and

4 (iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan
5 repayment program described in subsection (13)(b) as an incentive to practice in Montana.

6 (b) For the purposes of subsection (13)(a), a loan repayment program includes a federal, state, or
7 qualified private program. A qualified private loan repayment program includes a licensed health care facility, as
8 defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility
9 as a licensed health care professional.

10 (14) A taxpayer may exclude the amount of loan repayment assistance received during the tax year
11 pursuant to Title 20, chapter 4, part 5, not to exceed \$5,000, from the taxpayer's adjusted gross income.

12 (15) Notwithstanding the provisions of subsection (1), adjusted gross income does not include 40%
13 of capital gains on the sale or exchange of capital assets before December 31, 1986, as capital gains are
14 determined under subchapter P. of Chapter 1 of the Internal Revenue Code as it read on December 31, 1986.

15 (16) A refund received of federal income tax referred to in subsection (1)(b) must be allocated in the
16 following order as applicable:

17 (a) to federal income tax in a prior tax year that was not deducted on the state tax return in that
18 prior tax year;

19 (b) to federal income tax in a prior tax year that was deducted on the state tax return in that prior
20 tax year but did not result in a reduction in state income tax liability in that prior tax year; and

21 (c) to federal income tax in a prior tax year that was deducted on the state tax return in that prior
22 tax year and that reduced the taxpayer's state income tax liability in that prior tax year.

23 (17) By November 1 of each year, the department shall multiply the amount of pension and annuity
24 income contained in subsection (2)(c)(i) and the federal adjusted gross income amounts in subsection (2)(c)(ii)
25 by the inflation factor for the following tax year, rounded to the nearest \$10. The resulting amounts are effective
26 for that following tax year and must be used as the basis for the exemption determined under subsection (2)(c).
27 (Repealed effective January 1, 2024--secs. 65, 70(1), Ch. 503, L. 2021; subsection (2)(f) terminates on
28 occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of

1 contingency--sec. 9, Ch. 262, L. 2001; subsection (2)(t) terminates June 30, 2027--sec. 10, Ch. 374, L. 2017;
2 subsection (2)(s) terminates December 31, 2029--sec. 20, Ch. 480, L. 2021.)"

14 income;

15 (c) depreciation or amortization taken on a title plant as defined in 33-25-105;

17 the amount recovered reduced the taxpayer's Montana income tax in the year deducted;

19 taxable income if the item was also used to calculate a credit against a Montana income tax liability;
