NEW SECTION. **Section 2. Conditions of appropriation.** (1) The funds appropriated in [section 1] must, along with county matching funds, be used to pave the surface of 5.71 miles of the county road, popularly known as Lost Creek road, from its intersection with Galen road to the gate of Lost Creek state park.

(2) The department of fish, wildlife, and parks may enter into a memorandum of understanding by July 1, 2023, with Anaconda-Deer Lodge County to construct the project.

(4) Pursuant to the agreement between the parties, Anaconda-Deer Lodge County is responsible for managing all aspects of the project from design through construction.

(5) If the project costs more than \$1 million, the county is fully responsible for funding the cost increase. Supplemental appropriation from state funds may not be granted.

(6) If the bids for the project exceed \$1 million, the parties may reduce the scope of the project to match the funds available or terminate the project and return the state's share of the funds for the project to the state.

(7) Upon receipt of bids for the project and selection of a prospective contractor, Anaconda-Deer Lodge County shall provide notice and send a copy of the bids to the department of fish, wildlife, and parks and indicate its preferred contractor. The department shall pay Anaconda-Deer Lodge County half of the acceptable bid, not to exceed \$500,000, within 21 days of the receiving notice from the county.

1 registered owner.

2 (4) Money received from the collection of fees and charges is subject to the deposit requirements

15 motor vehicle registration fees, persons who pay the fee provided for in 61-3-321(19)(a) may not be required to
16 pay a day-use fee for access to state parks. Other fees for the use of state parks and fishing access sites, such
